Dear Secretary Woodruff,

On behalf of Spire Missouri Inc. (“Company” or “Spire”), I am transmitting herewith for electronic filing with the Missouri Public Service Commission (“Commission”), First Revised Tariff Sheet No. 21.10 and Original Tariff Sheet No. 21.10a, which contain sections of the Index of Certificated Areas within the Spire Missouri West service territory. In the above docket, the Commission granted Spire Missouri a Certificate of Convenience and Necessity (“CCN”) to expand the Company’s service territory within Jasper County to the City of Oronogo. The Commission ordered Spire to file updated tariff sheets incorporating the legal description to be served under the CCN. Exhibit No. 1 contains the First Revised Tariff Sheet No. 21.10 Original Tariff Sheet No. 21.10a. These tariff sheets incorporate the legal description as well as associated formatting changes and other updates.

The tariff sheet filed herewith contains an issue date of February 3, 2023, with a proposed effective date of March 6, 2023. A copy of the tariff sheets in Exhibit No. 1 has been sent to the Commission Staff and to the Office of the Public Counsel.

A copy of all correspondence, notices, orders, and other communications in connection with this matter should be furnished to Julie Trachsel, Spire’s Manager of Tariffs and Rates, 700 Market Street, St. Louis, MO 63101 (Julie.trachsel@spireenergy.com) and to the undersigned counsel for Spire.
