RE: Adoption Notice Tariff Sheets – File No. WM-2018-0023

Dear Mr. Woodruff:

To comply with paragraph 5 of the Commission's *Order Approving Stipulation and Agreement and Granting Certificates of Convenience and Necessity* in File No. WM-2018-0023, Liberty Utilities (Missouri Water) LLC transmits for your filing the accompanying adoption tariff sheets. Each sheet adopts and ratifies rates currently in effect for Bilyeu Ridge Water Company, LLC; Midland Water Company, Inc.; Moore Bend Water Utility, LLC; Riverfork Water Company; Taney County Water, LLC; or Valley Woods Utility.

As required by the Commission's order, each tariff sheet bears an August 27, 2018, issue date and a September 26, 2018, effective date. However, because the transaction approved in File No. WM-2018-0023 closed August 17, 2018, and title to acquired assets and operations of utility companies formerly owned by Ozark International, Inc., transferred to Liberty Utilities (Missouri Water) that date, we request the tariffs be approved or allowed to take effect at the Commission's earliest opportunity.
