Missouri School Discount Program

**MISSOURI
Public Service Commission**

1. A discount from standard monthly rates for local exchange service may be allowed in connection with service furnished through the Missouri School Discount Program, pursuant to the Video Instructional Development and Educational Opportunity Program, as enacted by the Missouri State Legislature.
2. Upon the customer's request, a discount of twenty percent (20%) from standard monthly access line rates may be allowed to educational institutions within the Company's certified area, as determined in Paragraph .3, following.
3. An educational institution shall be defined as an accredited public or private school in the state of Missouri. Private schools must be accredited by either the Missouri Chapter of the National Federation of non-Public Schools Accrediting Association, Independent Schools Association of The Central States, North Central Association of Colleges and Schools, and/or the University of Missouri - Columbia. Public schools must be accredited by the Department of Elementary and Secondary Education for the State of Missouri and/or the North Central Association of Colleges and Schools.
4. The qualifying discount will be permitted only on the local exchange access line. All other features, ancillary services or options, relative to the particular service, shall continue to be billed at the appropriate tariffed rates.
5. The qualifying discount will be permitted only where the predominant use is providing educational and instructional programs and for the educational institutions' administrative use. The discount is not allowed to residential complexes associated with the institution.
6. In addition to meeting the qualification specified in Paragraph .3 preceding, an eligible customer must sign an affidavit certifying that the qualification is met. The affidavit will be retained on file with the Company.
7. The customer should request to receive the discount on all subsequent additions of eligible services which are ordered. There will be no additional affidavits required.
8. The following local exchange services are eligible for a discount under this program:

- Flat Rate, business one-party service.

GENERAL RULES AND REGULATIONS

A. OBLIGATION AND LIABILITY OF TELEPHONE COMPANY

1. Availability of Facilities

The Telephone Company's obligation to furnish exchange and toll service is dependent upon its ability to secure and retain, without unreasonable expense, suitable facilities and rights for the construction and maintenance of the necessary pole lines, circuits and equipment.

FILED

NOV 17 1954

2. Interruptions of Service

If service is interrupted for more than 48 hours other than by the negligence or willful act of the subscriber, an allowance at the minimum rate for the telephone facilities and class of service affected at the time of the interruption shall be made for the time such interruption continues, after notice and demand to the Company. No other liability shall in any case attach to the Company on account of interruptions of service.

PUBLIC SERVICE COMMISSION

3. Directory Errors and Omissions

a. The Telephone Company, except as provided herein, shall not be liable for damage claimed on account of errors in or omissions from its directories nor for the result of the publications of such errors in the directory nor will the Telephone Company be a party to controversies arising between subscribers or others as a result of listings published in its directories. Claims for damages on account of interruptions to service due to errors or omissions in directory listings will be limited to a pro rata abatement of the charge for such of the subscriber's service as is affected, the maximum abatement not to exceed one-half the service charges for the period from the date of issuance of the directory in which the mistake occurred to the date of issuance of a new directory containing the proper listing.

4. Transmitting Messages

NOV 17 1954

The telephone company does not transmit messages but offers the use of its facilities for communications between patrons. If because of transmission difficulties the operator, in order to accommodate the subscriber, repeats messages she is deemed to be acting as the agent of the persons involved and no liability shall attach to the Telephone Company because of any errors made by the operator or misunderstandings that may arise between subscribers because of the errors.

MISSOURI PUBLIC SERVICE COMMISSION

5. Use of Connecting Company Lines

When suitable arrangements can be made, lines of other telephone companies may be used in establishing wire connections to points not reached by this Company's lines. In establishing connections with the lines of other Companies, the Telephone Company is not responsible or liable for any action of the Connecting Company.

6. Defacement of Premises

The Telephone Company shall exercise due care in connection with all work done on subscriber's premises. No liability shall attach to the Telephone Company by reason of any defacement or damage to the subscribers' premises resulting from the

existence of the Telephone Company's service, or by the installation or removal thereof, unless such defacement or damage is the result of the sole negligence of the Telephone Company.

7. Adjustment of Charges

In the adjustment of charges for overbilling by the Telephone Company, a refund will be made of the full amount of excess charges when such amount can be determined; when the period during which overbilling has been effective cannot be fixed or the exact amount of overbilling determined from available records, the maximum refund will not exceed an estimated amount equal to such overbilling for a three year period.

- 8. The Telephone Company will make reasonable effort to cure any material failure to provide service caused solely by year 2000 defects in the Telephone Company's hardware, software, or systems. Due to the interdependence among telecommunications providers and the interrelationship with non-Telephone Company service processes, equipment and systems, the Telephone Company is not responsible for failures caused by circumstances beyond its control including, but not limited to, failures caused by: (1) the Customer; (2) other telecommunications companies as defined by Missouri statute; or (3) customer premises equipment. In addition, the Telephone Company does not ensure compatibility between the Telephone Company and non-Telephone Company services used by the Customer.

B. Use of Service and Facilities

1. Ownership and Use of Service

Lines furnished by the Telephone Company, on the premises of a subscriber are the property of the Telephone Company, whose agents and employees shall have the right to enter said premises at any reasonable hour for the purpose of installing, inspecting, maintaining or repairing the service and lines, or upon termination of the service, for the purpose of removing such service and lines. Such service and lines are not to be used for performing any part of the work of transmitting, delivering or collecting any message where any toll or consideration has been or is to be paid by any party other than the Telephone Company, without the written consent of the Telephone Company.

C. ESTABLISHMENT AND FURNISHING OF SERVICE

NOV 17 1954

1. Application for Service

PUBLIC SERVICE COMMISSION

a. Applications for service must be made on the Telephone Company's standard form of application. These applications become contracts when accepted in writing by the Telephone Company, or upon the establishment of service. Applicants for service are required to pay in advance at the time application is made, all charges accruing for the first billing period for exchange service and equipment, and the service connection charge if applicable. The terms and conditions specified in such contracts are subject to these General Rules And Regulations, the General Exchange Service Tariffs and the Local Exchange Service Tariffs for the particular exchange from which service is to be furnished. Any change in rates, rules or regulations shall act as a modification of the contract to that extent, without further notice.

GENERAL RULES AND REGULATIONS

C. Establishment and Furnishing of Service (Cont.)

1. Application for Service (Cont.)

b. Requests from subscribers for additional service may be made verbally, if the original contract provides for such additional service as may be ordered, and no advance payment will be required. A move from one location to another (Outside Move) within the same Exchange Area is not considered to terminate the contract and orders may be made verbally.

2. Telephone Numbers

The subscriber has no property right in the telephone number or any right to continuance of service through any particular central office, and the Telephone Company may change the telephone number of the central office designation, or both, of a subscriber whenever it deems it advisable in the conduct of its business so to do.

3. Alterations

The subscriber agrees to notify the Company promptly in writing whenever alterations or new construction on premises owned or leased by him will necessitate changes in the Company's wiring; and the subscriber agrees to pay the Company's current charges for such changes.

4. Payment for Service

The subscriber is required to pay all charges for exchange services and facilities, and for toll messages (including charges for messenger service) in accordance with provisions contained elsewhere in these General Rules and Regulations. The subscriber is held responsible for all charges for telephone service rendered at his

APPLICATION OF BUSINESS AND RESIDENCE RATES (Cont.)

B. RESIDENCE RATES APPLY AT THE FOLLOWING LOCATIONS:

1. In private residence where business listings are not provided.
2. In private apartments of hotels, rooming houses, or boarding houses where service is confined to the subscriber's use, and elsewhere in rooming and boarding houses which are not advertised as a place of business or which have less than five rooms for roomers or which furnish meals to less than ten boarders, provided business listings are not furnished.
3. In the place of residence of clergyman or nurse, and in the place of residence of a physician, surgeon or other medical practitioner, dentist or veterinary, provided the subscriber does not maintain an office in the residence.

CONSTRUCTION, INSTALLATION, AND MAINTENCE CHARGES

A. GENERAL

1. Lines will be extended in accordance with provisions specified in paragraphs E 1, 2, 3, and 4, Line Extensions, of this tariff.
2. Special charges in the form of installation charges, monthly charges, a cash deposit, advance payment, or a termination agreement as a guarantee of service for a period roughly allowing recovery of installation costs may be applied in addition to the usual service connection charges and monthly rates. Such charges may be levied or guarantees required in cases where the sporadic or occasional nature of the service or an unusual investment or expense is required to provide service warrant, as for example:

1.1 INSTALLATION OF TELEPHONE LINES WITHIN SUBDIVISION (1). TELEPHONE LINES CONSTRUCTED, INSTALLED AND OWNED BY UTILITIES IN SUBDIVISIONS SHALL BE INSTALLED UNDERGROUND.

1.1.1 The following definitions are used in this section of the tariff:

APPLICANT: The developer, builder, or other person, partnership, association, firm, private or public corporation, trust, estate, political subdivision, governmental agency, or other legal entity recognized by law, applying for the construction of a telephone distribution system in a subdivision.

BUILDING: A single structure roofed and enclosed within exterior walls, built for permanent use, erected, framed of component structural parts and unified in its entirety both physically and in operation for single-family residential occupancy in a subdivision (Definition excludes mobile home).

SUBDIVISION: A lot, tract, or parcel of land divided into two or more lots, plots, sites or other divisions for use for new residential buildings or the land on which is constructed new multiple-occupancy buildings per a recorded plot thereof if such recordation is required by law.

1.1.2 The Telephone Company upon receipt of the applicant's proper application will install an underground telephone system with suitable materials to assure that the applicant will receive reasonably safe and adequate telephone service. The provision of the underground telephone system will be provided at no charge except where a charge is permitted under Paragraphs 1.1.4 and 1.1.6 of this section of the Tariff. Temporary service is provided under Paragraph 1.1.5 of this section of the Tariff.

1.1.3 RIGHTS-OF-WAY AND EASEMENTS

A. Within the applicant's subdivision, the Telephone Company will construct, own, operate, and maintain underground telephone lines only along public streets, roads, and highways which the Telephone Company has the legal right to occupy, and on public lands and private property across which rights-of-way and easements satisfactory to the Telephone company may be obtained without cost or need for condemnation by the Telephone Company.

B. Rights-of-way and easements, within the subdivision, satisfactory to the Telephone Company, must be furnished by the applicant in reasonable time to meet construction and service requirements before the Telephone Company shall be required to commence its installation. Such rights-of-way and easements must be cleared of trees, tree stumps, and other obstructions and graded to within six inches of final grade, by applicant, at no charge to the Telephone Company. Such clearance and grading must be maintained by the applicant during construction by the Telephone Company.

1.1.4 ADVANCE PAYMENTS

A. Where, due to the manner in which a subdivision is developed, the Telephone Company is required to construct an underground telephone distribution system through a section or sections of the subdivision where service will not be connected for at least two years, then the Telephone Company may require an advance payment equal to the estimated cost of construction from the applicant before construction is commenced. If in the judgment of the Telephone Company an advance is required under the above described conditions, the Telephone Company has the right to refuse installation of the underground system until the required advance is paid to the Telephone Company.

B. If an advance is required under these rules, then the advance, without interest, shall be returned to the applicant on a pro rata basis as the permanent service connections are made to each building or multiple-occupancy building.

C. Any portion of an advance remaining unrefunded ten years from the date of the Telephone Company is first ready to render service with the extension will be retained by the Telephone Company and credited to the appropriate Construction account.

1.1.5 TEMPORARY FACILITIES

A. Temporary facilities may be installed to provide service when necessary, for a maximum period of one year.

B. Where it is necessary to place temporary facilities in advance of the permanent underground telephone system in order to provide telephone service, the Telephone Company may require the applicant to pay the estimated non-recoverable costs of the temporary facilities. If the required costs under the above described conditions apply, the Telephone Company has the right to refuse installation of the temporary facilities until the required costs are paid to the Telephone Company.

1.1.6 SPECIAL CONDITIONS

A. In circumstances, where the application of these rules appears impracticable or unjust to applicant or the Telephone Company, or discriminatory to other customers, e.g., difficult rock conditions, the Telephone Company or applicant shall refer the matter to the Missouri Public Service Commission for special ruling or for the approval of special conditions which may be mutually agreed upon prior to commencing construction.
