

November 30, 2018

Mr. Morris Woodruff  
Secretary of the Commission  
Missouri Public Service Commission  
200 Madison Street, Suite 100  
Jefferson City, MO 65102-0360

Dear Mr. Woodruff:

The tariff sheets listed below issued by Union Electric Company d/b/a Ameren Missouri ("Ameren Missouri" or "the Company") were filed as a revision of Schedule No. 6, Schedule of Rates for Electricity, on November 30, 2018:

<u>Filed</u>	<u>Canceling</u>
2nd Revised Sheet No. 163	1st Revised Sheet No. 163
4th Revised Sheet No. 163.1	3rd Revised Sheet No. 163.1

These tariff sheets are being issued November 30, 2018 to become effective on and after December 30, 2018.

The purpose of the proposed tariff revisions are to extend the Voluntary Green/Pure Power pilot program through March 31, 2019. It is Ameren Missouri's intention to remove the pilot status of this program in a future filing. This short-term extension will provide Ameren Missouri and Staff a reasonable amount of time to reach resolution on that matter and ensure that the program continues to be available after December 31, 2018 for the approximately 4,800 customers that are currently enrolled.

Ameren Missouri's previous tariff filing, having tracking number JE-2019-0094, is being withdrawn concurrent with this filing.

The proposed tariff revision was discussed with Missouri Public Service Commission Staff prior to filing.

Sincerely,

*Wendy K. Tatro*
