ORDER CANCELING CERTIFICATES OF SERVICE AUTHORITY

Issue Date: December 20, 2019

Effective Date: January 19, 2020

On December 9, 2019, Common Point, LLC, filed a letter requesting its certificates of service authority be cancelled. Common Point stated that it had no Missouri customers or operations and did not intend to provide service in Missouri. The Commission granted Common Point certificates of service authority to provide interexchange and non-switched local exchange telecommunication service in the State of Missouri in File No. LA-2009-0278, on March 18, 2009.

On December 10, 2019, the Commission ordered its Staff to file a recommendation. Staff filed its recommendation on December 19, 2019, indicating that Common Point's request was in compliance with 20 CSR 4240-28.011(3) regarding voluntary cancellation of certificates of service. Staff recommended that the certificates and active tariff (Tariff Tracking No. YL-2009-0695) of Common Point be canceled. No objections or requests for a hearing were filed.

The Commission has the authority to cancel a certificate and tariff pursuant to Section 392.410.5, RSMo, which states, in part, "[a]ny certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected." Based on the company's request,

and Staff's recommendation, the Commission finds that the certificates of service authority granted to Common Point and the accompanying tariff shall be canceled.

THE COMMISSION ORDERS THAT:

1. The certificates of authority to provide interexchange and non-switched local exchange telecommunications services granted to Common Point, LLC, in File No. LA-2009-0278, are canceled.
2. The tariff, Tracking No. YL-2009-0695, of Common Point, LLC, is canceled.
3. This order shall become effective on January 19, 2020.
4. This case may be closed on January 20, 2020.
