Mr. Steven C. Reed, Secretary  
Missouri Public Service Commission  
200 Madison Street, Suite 100  
Jefferson City, MO 65102-0537

RE: Preferred Long Distance, Inc. Tariff Advice Letter No. 11

Dear Mr. Reed:

Pursuant to the *Report and Order and Further Notice of Proposed Rulemaking* in Docket Nos. WC Docket No. 10-90, *et al.*, FCC 11-161,<sup>1</sup> *Second Order on Reconsideration* in Docket Nos. WC Docket No. 10-90, *et al.*, FCC 12-47,<sup>2</sup> and Section 51.911 of the Federal Communications Commission's ("FCC") rules, 47 C.F.R. §51.911, enclosed for submission to the Missouri Public Service Commission ("Commission") is revised Sheet No. 40 to Preferred Long Distance, Inc.'s ("Preferred") Missouri switched exchange access tariff, Missouri P.S.C. Tariff No. 2.

With this submission, Preferred complies with the above cited orders and rule. Preferred reduces its terminating intrastate end office rate element by one third of the difference between its current end office rate element and \$0.0007 applicable to price cap incumbent local exchange carriers per Section 51.907 of the FCC's rules, 47 C.F.R. §51.907, through the adoption of the corresponding interstate terminating access rates contained in Preferred's interstate switched access tariff, FCC Tariff No. 1, by reference. The Company further benchmarks its intrastate VoIP-PSTN traffic rates to its interstate rates as set forth in the Company's FCC Tariff No. 1, by reference. These amendments become effective July 1, 2014. Preferred's complete F.C.C. Tariff No. 1 may be accessed at <https://apps.fcc.gov/etfs/public/lecTariffs.action?idLec=206>.

Thank you for your attention to this matter. Questions may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.

Andrew O Isar
