

CUSTOMER NOTICE

Due to recent changes mandated by the Federal Communications Commission (FCC), the Company must raise its local service rates to \$16.00 per line, per month. Accordingly, effective December 1, 2014, Peace Valley Telephone Company's local rates will increase from \$14.00 to \$16.00 per month for both Residential and Business service.

In order to mitigate the effect of the proposed increase, the Company is reducing the monthly rate for Internet by \$2.00. Those customers who subscribe to both Internet access and Local Telephone Service will, therefore, see almost no increase in their monthly bill.

If you have any questions regarding these rate changes, please contact our Customer Service Office at 417/277-5550.
