3.11 Calculations of Billable Time (Usage Charges)

MO. PUBLIC SERVICE COMM

(A) Unless otherwise specifically stated in this tariff, all calls, regardless of time period, lasting one (1) minute or a fraction thereof, are subject to a minimum billing increment of one (1) minute per call. Calls are billed in sixty (60) second increments thereafter.

(B) Chargeable time begins when the connection is established between the calling station and the called telephone number and ends when the connection is terminated.

(C) All per-call charges of fractional cents shall be rounded to the next full cent unless otherwise stated.

INTRASTATE INTEREXCHANGE TELECOMMUNICATIONS SERVICE

5. RATES

5.1 Direct Dialed Domestic Service

The Company offers Direct Dialed termination in the United States, as defined in Section 4.1 of this tariff. Service is furnished subject to availability of both the telecommunications facilities and the required billing capabilities. Unless specific written authorization from the Company is provided, the Service may not be used to aggregate the long distance communications of multiple end users for resale, or to provision communications services for others.

The Company provides the following Domestic Direct Dialed programs:

(A) Option 1.

1. Option 1 is a flat rate pricing plan, with the rate per minute applicable to all rate periods (Peak, Off-Peak).
2. Option 1 pricing is for intrastate customer dialed station to station, sent paid, non-coin Interexchange Telecommunications Service, unless otherwise specified in this tariff.
3. Option 1 rates and charges are in addition to all other rates and charges paid by a Customer for all other Services of the local exchange carrier providing local service.
4. Discounts, if applicable, apply only to the actual qualified usage portion of the bill. When the application of the discount results in a fractional charge, the amount will be rounded to the nearest cent.
5. Rate per Minute:

Flat rate @ \$.15/minute - twenty-four (24) hours per day, 7 days per week.
