Dear Secretary:

Attached for electronic filing are revisions to the P.S.C. MO. No. 10 Wholesale Tariff for Spectra Communications Group, LLC d/b/a CenturyLink. These revisions are filed in accordance with Missouri Public Service Commission Rules and Regulations and electronically submitted with an August 29, 2017 issue date and a proposed effective date of September 28, 2017.

This filing proposes to withdraw the Spectra Communications Group, LLC d/b/a CenturyLink Wholesale Tariff PSC Mo. No. 10 in its entirety. Under a separate filing, CenturyLink is submitting revisions to the CenturyTel of Missouri, LLC Wholesale Tariff PSC Mo. No. 10 to establish Spectra Communications Group, LLC as a concurring carrier. The content within these two tariffs is identical. The revisions being submitted for the CenturyTel of Missouri, LLC Wholesale Tariff will include deletion of the Directory Services section. The terms, conditions and rates for Directory Services are now covered by the standard terms and conditions contained in CenturyLink's standard Interconnection Agreements which are negotiated between CenturyLink and its wholesale customers in accordance with sections 251 and 252 of the federal Telecommunications Act of 1996.

Neither CenturyTel of Missouri, LLC or Spectra Communications Group, LLC have customers currently purchasing Directory Services under the Wholesale Tariffs nor active Interconnection Agreements which reference the terms and conditions contained in the Wholesale Tariffs for Directory Services. The deletion of Directory Services from the Wholesale Tariff will therefore not impact any existing contracts or customers.

If you have any questions or need additional information, you may call me at (913) 353-7087.

Sincerely,

A handwritten signature in black ink that reads "Robyn Crichton".
