At Windstream, our goal is to continue to provide the best possible service while keeping the rates of all our customers as low as possible. However, we must occasionally make adjustments to our rates as the cost of doing business increases.

Effective February 1, 2015, your business access line rate will increase in a range of \$0.21-\$2.27 per month. To find out what your new access line rate will be for your area, please call us at 800-600-5050. Plus, call to learn how you can bundle services like High Speed Internet and save!

Even with this adjustment, our rates are still competitive with other communications providers in your area. We will continue our pledge to provide quality service at affordable rates.

Thank you for being a valued Windstream customer. We appreciate your business.
