Mr. Morris Woodruff
Secretary of the Commission
Missouri Public Service Commission

Jefferson City, MO 65102-0360

Dear Mr. Woodruff:

The accompanying tariff sheets issued by Union Electric Company d/b/a Ameren Missouri (Ameren Missouri or the Company), are being transmitted for filing as a revision of Schedule No. 6, Schedule of Rates for Electricity:

Filed
1st Revised Sheet No. 197

Canceling
Original Sheet No. 197

These tariff sheets are being issued May 22, 2014 to become effective on and after June 21, 2014.

The Company is filing the Residential Energy Efficiency Energy Star New Homes tariff to limit the availability to those homes that have reserved a rebate prior to the effective date of this tariff. EM&V analysis indicated that the program is not cost effective and cannot be made cost effective even with significant program revisions. A copy of that analysis is being submitted concurrently with the submission of this tariff.

This proposed change has been discussed with Staff, OPC and Division of Energy who have expressed their support for the attached tariffs.

Sincerely,

Wendy K. Tatro
