RE: Request for Approval of Tariffs Filed in Compliance with Commission Order

Dear Secretary:

Enclosed please find Kansas City Power & Light Company's revised tariff sheets filed in compliance with the Commission's June 5, 2014 Order Approving Stipulation and Agreement in Case No. EO-2014-0095.

The revised tariffs have an issue date of June 6, 2014, and an effective date of July 6, 2014. Because the Company will be prepared to implement the programs called for by the Commission's Order Approving Stipulation and Agreement on July 6, 2014 but not before, the Company requests that these tariffs be permitted to take effect on the proposed effective date by operation of law or otherwise. A copy of the attached revised tariffs has been e-mailed, hand-delivered or mailed this date to all counsel of record.

Thank you for your attention to this matter. Please contact me directly at (816) 654-1689 or brad.lutz@kcpl.com if you require any additional information.

Sincerely,
