FOURTH ADDENDUM TO APPLICATION

Comtel Telcom Assets LP (“Comtel”) hereby supplements its filing in this matter, to correct a clerical error in the tariff Adoption Notices previously filed by Comtel.

1. The tariff adoption notices previously filed by Comtel correctly reflected an issue date of December 23, 2005, but the effective date was incorrectly noted as February 6, 2005, instead of February 6, 2006.
2. Comtel requests that the corrected Adoption Notices annexed as Exhibit A be accepted for filing, and substituted for those previously filed.

THIRD ADDENDUM TO APPLICATION

Pursuant to Commission Staff request, Comtel Telcom Assets LP (“Comtel”) hereby supplements its filing in this matter by providing the following information for Commission review:

1. In its Second Addendum to Application filed on December 23, 2005, Comtel requested Commission approval to adopt certain tariffs of VarTec Telecom, Inc. (“VarTec”), Excel Telecommunications, Inc., VarTec Solutions, Inc., and Clear Choice Communications, and filed both cover sheets and adoption notices as attachments to that submission.
2. Commission staff has advised Comtel that its numbering of the tariffs in certain of those adoption notices did not conform to Commission requirements (i.e., the number of the proposed Comtel tariff did not in all instances coincide with the number of the tariff being adopted.) Accordingly, Comtel has renumbered the adoption notices in question, and requests that the attached revised Exhibit “C” be substituted for the Exhibit “C” originally filed with the Second Addendum. Aside from the renumbering on four of the notices, the adoption notices are identical in all respects to those previously filed.

Respectfully submitted,
