Customers

**RULES AND REGULATIONS**  
**GAS**

**PROVISIONS**

To remain eligible for the Program, a customer must remain current with all Company bills within two (2) billing cycles. Customers that default on payments to the Company for two (2) consecutive months will be removed from the Program and not be permitted to participate in the Program for twelve (12) months, except that a CAA may request that a defaulted customer experiencing a short-term, unanticipated financial hardship be re-enrolled in the Program on a one-time basis. Eligible customers will receive a monthly bill credit equal to the monthly customer charge. In the billing months of November through April, eligible customers with household incomes ranging from 0% to 135% of the FPL will receive a bill credit of \$30. If a customer's total bill is less than the credit amount, the credit shall not exceed the total bill amount, and any excess cannot be transferred to either another customer nor a future month.
