4.4.10.U Municipal Franchise Payments

4.10.U.1 Whenever McLeodUSA incurs an obligation (or an increase thereof) under a franchise ordinance to pay a municipality an amount measured by the revenues from providing communications services, the Company may charge its customers within the corporate limits of that municipality, in addition to all other lawful rates and charges:

- A. An amount equal to the franchise payment, and customers' proportionate part of such.
- B. An amount equal to the increase, if any, in taxes and other payments to governmental bodies resulting from the collections hereunder, by the addition of a uniform percentage to amounts billed for intrastate services within the municipality.

4.4.10.U.2 These provisions will be automatically applied upon the effective date of the municipal franchise ordinance to which they pertain.

REC'D AUG 06 1998

4.4.10 Rate Table 10: Former CCTS Rates4.4.10.V Ordering Options for Local Access Service (N)

This section sets forth the regulations and order related charges for Access Orders for Local Access Services. These charges are in addition to other applicable charges as set forth in other sections of this tariff.

An Access Order is an order to provide the customer with Local Access Service or to provide changes to existing services. At Customer's request, McLeodUSA will arrange for Local Access to connect Customer's premise to the McLeodUSA Service Point. If Local Access is to be obtained from another telecommunications carrier, McLeodUSA will, upon mutual agreement with Customer order such Local Access in its name on behalf of Customer. Customer shall pay McLeodUSA, in addition to the charges specified elsewhere in this tariff, the initial and recurring charges for such Local Access as billed to McLeodUSA by the other telecommunications carrier, plus 10 percent to cover McLeodUSA's administrative and billing costs.

4.4.10.V.1 Ordering Conditions

A customer may order any number of services of the same type and between the same premises on a single Access Order. All details for services for a particular order must be identical except for those for multipoint service.

The customer shall provide all information necessary for McLeodUSA to provide and bill for the requested service. In addition to the order information required, the customer must also provide:

- Customer name and premises address(es).
- Billing name and address (when different from customer name and address).
- Customer contact name(s) and telephone number(s) for the following provisioning activities: order negotiation, order confirmation, interactive design, installation and billing.

REC'D AUG 06 1998

4.4.10.V. Ordering Options for Local Access Service (Cont'd)4.4.10.V.2 Provision of Other Services (Cont'd)

- (B) With the agreement of McLeodUSA, the items listed in (A) preceding may subsequently be added to the order at any time, up to and including the service date for the Access Service.
- (C) Additional Engineering is not an ordering option, but will be applied to an Access Order when McLeodUSA determines that Additional Engineering is necessary to accommodate a customer request. Additional Engineering will only be required as set forth in 4.4.10.X.1 following. When it is required, the customer will be so notified and will be furnished with a written statement setting forth the justification for the Additional Engineering as well as an estimate of the charges. If the customer agrees to the Additional Engineering, a firm order will be established. If the customer does not want the service or facilities after being notified that Additional Engineering of McLeodUSA facilities is required, the order will be withdrawn and no charges will apply. Once a firm order has been established, the total charge to the customer for the Additional Engineering may not exceed the estimated amount by more than 10%.

The regulations, rates and charges for Additional Engineering are in addition to the regulations, rates and charges specified in this section.

4.4.10.V.3 Special Construction

Special Construction is not an ordering option, but will be applied to an Access Order when McLeodUSA determines Special Construction is necessary to accommodate a customer request. When Special Construction is required, the customer will be so notified and will be furnished with a written statement setting forth the justification for the Special Construction as well as an estimate of the charges.

If the customer agrees to the Special Construction, a firm order will be established. If the customer does not want the service or facilities after being notified that Special Construction is required, the order will be withdrawn and no charges will apply.

4.4.10.W. Access Order

An Access Order is used by McLeodUSA to provide a customer Local Access Service as follows:

- Other Services as set forth in 4.4.10.V.2 preceding.

When placing an order for Local Access Service, the customer shall provide, at a minimum, the following information:

- For all Local Access Services, the customer must specify the customer designated premises, the type of service (e.g., Voice Grade, High Capacity, etc.), type of facility (i.e., Two-wire or Four-wire).

4.4.10.W.1 Access Order Service Date Intervals

- (A) McLeodUSA will provide the Local Access Service in accordance with the customer's requested service date, subject to the following conditions:

- (1) McLeodUSA will not accept orders for service dates more than six months after the date of the order.

Local Access Service will be installed during McLeodUSA business days. If a customer requests that installation be done outside of scheduled work hours, and McLeodUSA agrees to this request, the customer will be subject to applicable Additional Charges.

4.4.10 Rate Table 10: Former CCTS Rates4.4.10.X. Additional Engineering, Additional Labor and Miscellaneous Services (N)4.4.10.X.1 Additional Engineering

Additional Engineering is that engineering or engineering consultation requested by the Customer as set forth in paragraphs 4.4.10.X.1.A through Paragraph 4.4.10.X.1.B, following. McLeodUSA will notify the Customer that additional engineering charges will apply before any additional engineering is undertaken.

4.4.10.X.1.A Engineering Consultation

Engineering Consultation involves technical advice from McLeodUSA to the Customer not in connection with a specific order. Engineering consultation also includes situations in which the Customer requests McLeodUSA to provide information or to perform a function which will entail additional engineering by McLeodUSA. Inquiries of a short duration in which no significant engineering time is required and inquiries associated with Customer service forecasts are not included.

4.4.10.X.1.B Charges for Additional Engineering

4.4 Rate Tables (cont'd)

4.4.14 Rate Table 14: Select-Dial

A donation of five percent (5%) of all monthly domestic long distance calling will be made by Carrier to a not-for-profit organization designated by Subscriber. This donation will continue as long as Subscriber is using Carrier's Select-Dial long distance plan. Subscriber may change the not-for-profit organization to which Carrier's donation will go. However, only one not-for-profit organization may be designated by Subscriber as the recipient of Carrier's donation at any given time. Thirty (30) days written notice must be given to Carrier prior to changing to a different Subscriber designated not-for-profit organization. The new not-for-profit organization will begin to receive Carrier's donation thirty (30) days after receipt of the written notice from Subscriber.

4.4.14.A Rate Per Minute

All Time Periods: \$.10

Note: A monthly fee per access line of \$5.00 will apply.
