**SECTION 2 - RULES AND REGULATIONS**

**2.1 Undertaking of Carrier**

Carrier provides long distance message toll telephone service to customers for their direct transmission of voice, data, and other types of telecommunications.

Communications originate when the customer accesses Carrier directly or through the facilities of the local service carrier via one or more access lines, equal access or on a dial-up basis. Carrier may act as the customer's agent for ordering access connection facilities provided by other carriers or entities when authorized by the customer, to allow connection of a customer's location to the Carrier network. The customer shall be responsible for all charges due for such service arrangements.

The Company's services are provided on a monthly basis and are available twenty-four (24) hours per day, seven (7) days per week. The minimum service period is one month (30 days).

**2.2 Limitations on Service**

2.2.1 Carrier reserves the right to provide services only to and from locations where the necessary facilities and/or equipment and subject to the provisions of this tariff.

2.2.2 Carrier reserves the right to discontinue furnishing service upon written notice, when necessitated by conditions beyond its control or when the customer is using the service in violation of the provisions of this tariff or in violation of the law.

2.2.3 Title to any equipment provided by Carrier under these regulations remains with Carrier. Prior written permission from the company is required before any assignment or transfer. All regulations and conditions contained in this tariff shall apply to all such permitted assignees or transferees.

2.7 Responsibility of the Customer

2.7.1 All customers assume general responsibilities in connection with the provisions and use of Carrier's service. When facilities, equipment, and/or communication systems provided by others are connected to Carrier's facilities, the customer assumes additional responsibilities. All customers are responsible for the following:

- A. The customer is responsible for placing orders for service, paying all charges for service rendered by Carrier and complying with all of Carrier's regulations governing the service. The customer is also responsible for assuring that its users comply with regulations.
- B. When placing an order for service, the customer must provide:
  - 1. The name(s) and address(es) of the person(s) responsible for the payment of service charges.
  - 2. The name(s), telephone number(s), and address(es) of the customer contact person(s).
- C. The customer must pay Carrier for the replacement or repair of Carrier's equipment when the damage results from:
  - 1. The negligence or willful act of the customer or user.
  - 2. Improper use of service.
  - 3. Any use of equipment or service provided by others.
- D. After receipt of payment for the damages, Carrier will cooperate with the customer in prosecuting a claim against any third party causing damage.

2.7.4 Cancellation by Customer

If a customer orders services requiring special equipment and/or facilities dedicated to the customer's use and then cancels his order before the service begins, a charge will be made to the customer for the non-recoverable portions of expenditures or liabilities incurred expressly on behalf of the customer by Carrier. If, based on such an order, any construction has either begun or been completed, but no such services provided, the non-recoverable cost of such construction shall be borne by the customer.

2.7.5 Payment of Charges for Services

Service is provided and billed on a monthly basis.

Payment will be considered timely if paid within 21 days after the bill is rendered. The bill shall be considered rendered when deposited in the U.S. mail with postage prepaid.

In the event of a dispute concerning a bill, Customer must pay a sum equal to the amount of the undisputed portion of the bill and proceed with company complaint procedures.

The customer is responsible for payment of all charges for service furnished to the customer under this tariff. Charges are based on actual usage during a month and will be billed monthly in arrears.

2.7.6      Deposits

An applicant whose credit has not been duly established may be required to make a deposit to be held as guarantee of payment of charges. Existing customers may be required to submit or increase a deposit under those circumstances prescribed by and in accordance with Commission rules.

The amount of the deposit shall not exceed the estimated charges for two months' service.

All deposits will be held by the Company.

Deposits will be returned:

- 1.) When an application for service has been cancelled prior to establishment of service. The deposit will be applied to amounts owed to the Company and the excess portion returned;
- 2.) After one (1) year of satisfactory payment history by the customer;
- 3.) Upon discontinuance of service. The Company will refund the Customer's deposit or the balance in excess of unpaid bills.

The fact that a deposit has been made in no way relieves the Customer from complying with regulations regarding prompt payment of bills.

Interest shall be paid on any deposit held by the Company in excess of ninety (90) days at the current rate prescribed by the Commission.

**SECTION 3 - DESCRIPTION OF SERVICE**

---

3.1 Timing of Calls

The customer's monthly usage charges for Carrier service are based upon the total number of minutes the customer uses and service options subscribed to. Chargeable time begins when the connection is established between the calling station and the called station or PBX. Chargeable time ends when either party "hangs up."

3.2 Start of Billing

For billing purposes, the start of service is the first day on which service is available for use by the customer. The end of service date is the last day or any portion of the last day for which service was provided by Carrier.

3.3 Interconnection

Service furnished by Carrier may be interconnected with services or facilities of other authorized communications common carriers and with private systems, subject to the technical limitations established by Carrier. Service furnished by Carrier is not part of a joint undertaking with such other carriers. Any special interface equipment of Carrier and other participating carriers shall be provided at the customer's expense.

Interconnection with the facilities or services of other carriers shall be under the applicable terms and conditions of other carriers' tariffs. The customer is responsible for taking all necessary legal steps for interconnecting his customer-provided terminal equipment or communications systems with Carrier's. The customer shall secure all licenses, permits, right-of-ways, and other arrangements necessary for such interconnection.

**SECTION 3 - DESCRIPTION OF SERVICE**

APR 22 1996

**3.1 Timing of Calls****MISSOURI**  
**Public Service Commission**

The customer's monthly usage charges for Carrier service are based upon the total number of minutes the customer uses and service options subscribed to. Chargeable time begins when the connection is established between the calling station and the called station or PBX. Chargeable time ends when either party "hangs up."

**3.2 Start of Billing**

For billing purposes, the start of service is the first day on which service is available for use by the customer. The end of service date is the last day or any portion of the last day for which service was provided by Carrier.

**3.3 Interconnection**

**3.4** Terminal Equipment

Carrier's service may be used with or terminated in customer provided terminal equipment or customer provided communication systems, such as teleprinters, handsets, or data sets. Such terminal equipment will be furnished and maintained at the expense of the providing customer. The customer is responsible for all costs at their premises, including personnel, wiring, electrical power, and the like incurred in the use of Carrier's service. When such terminal equipment is used, the equipment shall comply with the generally accepted minimum protective criteria standards of the telecommunications industry.

**3.5** Calculation of Distance

Usage charges for all intrastate calls are based on flat rates and are not mileage sensitive.

The airline mileage between rate centers is determined by applying the formula below to the vertical and horizontal coordinates associated with the rate centers involved. The Company uses the rate centers and associated vertical and horizontal coordinates that are generally accepted within the telecommunications industry.

$$\text{Formula:} \quad \frac{\sqrt{(V1 - V2)^2 + (H1 - H2)^2}}{10}$$

**3.6** Minimum Call Completion Rate

The customer can expect a call completion rate of not less than 99% (number of calls completed/number of calls attempted) during peak use periods for Feature Group D (1+) services.

**3.7 Special Services**

A Special Service is deemed to be any service requested by the customer for which there is no prescribed rate in this tariff. Pricing will be above cost and information will be available to the Public Service Commission upon request.

**3.8 Service Offerings**

The company provides the following services:

**3.8.1 Message Toll Service (MTS)**

Long distance dialing is achieved by customer's telephone lines being programmed by the local telephone company (LEC) to automatically route 1+ calls to the Company's network.

**3.8.2 800 Service**

800 Service is virtual banded inbound toll service which permits calls to be completed at the subscriber's location without charge to the calling party. Access to the service is gained by dialing a ten digit telephone number which terminates at the customer's location. 800 services originate via normal shared use facilities and are terminated via the customers' local exchange service access line.

Carrier will accept a prospective 800 service customer's request for up to ten (10) 800 telephone numbers and will reserve such number(s) on a first come first serve basis. All requests for 800 number reservations must be made in writing, dated and signed by a responsible representative of the customer. Carrier does not guarantee the availability of number(s) until assigned. The 800 services telephone number(s) so requested, if found to be available, will be reserved for and furnished to the eligible customer.

If a customer who has received an 800 number does not subscribe to 800 service within 90 days, the company reserves the right to make the assigned number available for use by another customer.
