Dear Secretary:

On March 27, 2013, Rogue Creek Utilities, Inc. (the Company) submitted requests for increases in both its sewer and water operating revenues under the Missouri Public Service Commission's (Commission) small utility rate case procedure. On November 20, 2013, the Company submitted proposed replacement tariffs, which were assigned the above-noted tariff tracking numbers, as a result of a company/staff disposition agreement that was filed in the above-noted case files on November 8, 2013.

Regarding the above-referenced proposed tariffs, please note that the Company is hereby extending the proposed effective date of those tariffs from February 1, 2014 to March 1, 2014.

Please let me know if you need anything further at this time.

Sincerely,

*/s/ Dale W Johansen*
