## ORDER CANCELING CERTIFICATES AND ACCOMPANYING TARIFF

Issue Date: September 11, 2009

Effective Date: September 21, 2009

On August 17, 2009, the Staff of the Missouri Public Service Commission filed a motion requesting Pacific Centrex Services, Inc.'s ("Pacific") certificate of service authority to provide interexchange and nonswitched local exchange telecommunication service, restricted to providing dedicated private line services, accompanying tariff, and competitive basic local telecommunications services in the State of Missouri be cancelled.

In File Number XA-2004-0509, the Commission granted Pacific a certificate of service authority to provide interexchange and nonswitched local exchange telecommunication service in the State of Missouri. The Company's tariff, P.S.C. Tariff No. 1, was also approved. In File Number CA-2004-0508, the Commission granted Pacific a certificate of service authority to provide competitive basic local telecommunications services in the State of Missouri.

Staff states in its motion that Pacific is deficient in the filing of the Company's calendar year 2007 and 2008 annual reports. Pacific has not paid its fiscal year 2009 assessments totaling \$596.72. Staff recommends that the Commission cancel the company's certificate of service authority to provide interexchange and nonswitched local telecommunications services, restricted to

providing dedicated private line services, accompanying tariff, and competitive basic local telecommunications services.

On August 19, 2009, the Commission issued an Order Directing Notice allowing any parties to file an objection or request a hearing to do so no later than August 31, 2009. No objections or requests for a hearing were filed.

The Commission has the authority to cancel a certificate and tariff pursuant to Section 392.410.5, RSMo, which states, in part, “[a]ny certificate or service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.”

Based on Staff’s motion, the Commission finds that the certificates of service authority and accompanying tariff granted to Pacific Centrex Services, Inc., shall be canceled.

**IT IS ORDERED THAT:**

1. The certificate of authority to provide interexchange and nonswitched local exchange telecommunications services granted to Pacific Centrex Services, Inc., in File Number XA-2004-0509, is canceled.
2. Pacific Centrex Service, Inc.’s tariff, P.S.C. Tariff No. 1, is canceled.
3. The certificate of authority to provide competitive basic local telecommunications services granted to Pacific Centrex Services, Inc., in File Number CA-2004-0508, is canceled.
4. This order shall become effective on September 21, 2009.

5. This case may be closed on September 22, 2009.
