July 18, 2017

Mr. Morris Woodruff  
Secretary of the Commission  
Missouri Public Service Commission  
200 Madison Street, Suite 100  
Jefferson City, MO 65102-0360

Dear Mr. Woodruff:

The tariff sheets listed below issued by Union Electric Company d/b/a Ameren Missouri (Ameren Missouri or the Company) were filed as a revision of Schedule No. 6, Schedule of Rates for Electricity, on July 18, 2017:

<u>Filed</u>	<u>Canceling</u>
2nd Revised Sheet No. 88.2	1st Revised Sheet No. 88.2
4th Revised Sheet No. 88.3	3rd Revised Sheet No. 88.3

These tariff sheets are being issued July 18, 2017 to become effective on and after August 17, 2017.

Since the creation of the solar rebate queue in December 2013, Ameren Missouri has recognized that the number of customers that proceeded with installing solar after receiving a rebate commitment from Ameren Missouri has dramatically declined compared to when the queue was initially established. Of 72 rebate offers totaling \$851K made during the period July 22, 2015 through July 22, 2016, only 9 (12.5% of commitments & \$98K) completed solar installations within 12 months after the rebate commitment was received.

The revisions being requested will revise the Company's Rider SR - Solar Rebate tariff so that customers that receive a rebate commitment will be required to confirm their interest in the solar rebate by returning an intent form within 30 days of the rebate commitment being issued. Failure to return the intent form within 30 days will result in the expiration of the commitment.

Customers in the solar rebate queue that still remain interested in pursuing solar will benefit by Ameren Missouri being able to progress through the queue at a faster pace. Currently, a rebate commitment remains in place for 12 months unless a customer notifies Ameren Missouri that they are cancelling their application. Efforts to encourage customers to cancel their applications if they are not pursuing a solar installation have not been effective.

The proposed tariff revisions were discussed with Missouri Public Service Commission Staff prior to filing.

Sincerely,

*Paula N. Johnson*

Paula N. Johnson
