4.18 Toll Free Numbers

(N)

- A. The Company will make every effort to reserve toll free (8xx) vanity numbers on behalf of Customers, but makes no guarantee or warranty that the requested toll free number(s) will be available or assigned to the Customer requesting the number.
- B. If a Customer accumulates undisputed past-due charges, the Company reserves the right not to honor the Customer's request for a change in toll free service to another carrier (e.g., "porting" of the toll free number), including a request for a Responsible Organization (Resp. Org.) change, until such time as all charges are paid in full.
- C. Toll free numbers shared by more than one Customer, whereby individual Customers are identified by a unique Personal Identification Number, may not be assigned or transferred for use with service provided by another carrier. Subject to the limitations provided elsewhere in this Section, the Company will only honor Customer requests for change in Resp. Org. or toll free service provider for toll free numbers dedicated to the sole use of that single Customer.

The Customer has no proprietary interest in any toll-free number, but does have a qualified control interest in its active toll-free numbers. If, upon cancellation of its Company-provided toll-free service, the Customer does not submit a written request for the appointment of a new responsible organization or service for its toll-free numbers within 20 days after such cancellation. The Customer releases all rights to use or control such toll free numbers. The Customer is subject to any toll-free service policies and procedures implemented by the Company, from time to time.

C. Sprint Solutions Unlimited

Sprint Solutions Unlimited Customers will receive unlimited interstate and intrastate Dial-1 usage for a monthly recurring charge.

The monthly recurring charges for this service will be billed in advance. The Customer's first invoice will contain a pro-rated MRC for the first month (based on the number of Customer in-service days in the initial billing cycle) and a full MRC for the second month.

The following restrictions apply in addition to those specified in Section 5.1.1 preceding:

The Customer may not use this service for commercial use, for connection to the Internet, for other data service (including a significant amount of facsimile transmissions or data usage per month) or for any other use that does not involve a person-to-person conversation or voice message.

If it is determined that the Customer's usage is not consistent with residential voice service, the Customer will be assessed a \$50.00 data monthly charge or be disconnected.

Customers who subscribe to Sprint Solutions Unlimited and do not subscribe to the required service(s) or feature(s) will only qualify for Sprint Solutions Unlimited Option 3 (Sprint Solutions Unlimited SA). Customers who subscribe to Option 1 and subsequently cancel the services required to maintain eligibility for that option will be switched to Option 2, upon notice, if the services to which they are then subscribed render them eligible for Option 2.

When Customers who are subscribed to Option 4 subsequently cancel the services required to maintain eligibility for that option, they will be switched to Option 1 or 2 upon notice, if the services to which they are then subscribed render them eligible for one of those options.
