Re: Tariff Filing to Change an Infrastructure System Replacement Surcharge
Case No. GO-2022-0171

Dear Secretary:

Enclosed for filing is P.S.C. MO. No. 9, First Revised Sheet No. 12, which is applicable to Spire Missouri's East and West operating units.

This revised tariff sheet, which has an issue date of April 21, 2022 and an effective date of May 21, 2022, is being filed to change the Infrastructure System Replacement Surcharge ("ISRS") rates in accordance with Sections 393.1009, 393.1012 and 393.1015 of the Revised Statutes of Missouri and in response to the April 21, 2022 Commission's Order Approving the Unanimous Stipulation and Agreement between the Company, Staff, and OPC.

Also filed, as part of this case, is Spire Missouri Inc's Motion for Expedited Treatment requesting that the tariff become effective on May 1, 2022, which is consistent with the Unanimous Stipulation and Agreement and the Order Approving the Stipulation and Agreement.

Please bring this filing to the attention of the appropriate Commission personnel.

Sincerely,

/s/ Scott Weitzel
