TARIFF FORMAT

REC'D MAY 29 2001

- A. Sheet Numbering - Sheet numbers appear in the upper right corner of the sheet. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.
- B. Sheet Revision Numbers - Revision numbers also appear in the upper right corner of each sheet. These numbers are used to determine the most current sheet version on file with the Commission. For example, the 4th revised Sheet 14 cancels the 3rd revised Sheet 14. Because of various suspension periods, deferrals, etc. the Commission follows in their tariff approval process, the most current sheet number on file with the Commission is not always the tariff page in effect.
- C. Paragraph Number Sequence - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
- 2.1.
 - 2.1.1.
 - 2.1.1.A.
 - 2.1.1.A.1.
 - 2.1.1.A.1.(a)
 - 2.1.1.A.1.(a).I.
 - 2.1.1.A.1.(a).I.(i).
 - 2.1.1.A.1.(a).I.(i).(1).

2.2 Undertaking of the Company

The Company operates and maintains the communication services provided hereunder in accordance with the terms and conditions set forth under this tariff. It may act as the Customer's agent for ordering access connection facilities provided by other carriers or entities when authorized by the Customer, to allow connection of a Customer's location to the Company network. The Customer shall be responsible for all charges due for such service arrangement.

The Company's services are provided on a monthly basis unless ordered on a longer time basis, and are available 24 hours per day, seven days per week.

2.3 Limitations

- 2.3.1 Service is offered subject to the availability of facilities and the provisions of this tariff.
- 2.3.2 The Company reserves the right to discontinue furnishing service, or limit the use of service necessitated by conditions beyond its control or when the Customer is using service in violation of the law or the provisions of this tariff.
- 2.3.3 All services provided under this tariff are directly controlled by the Company and the Customer may not transfer or assign the use of service, except with the express written consent of the Company. Such transfer or assignment shall only apply where there is no interruption of the use or location of the service or facilities.

2.3.4 Prior written permission from the Company is required before any assignment or transfer. All regulations and conditions contained in this tariff shall apply to all such permitted assignees or transferees, as well as all conditions for service.

2.4 Liabilities of the Company

2.4.1 The Company's liability for damages arising out of mistakes, interruptions, omissions, delays, errors, or defects in the transmission occurring in the course by the negligence of its employees or its agents, in no event shall exceed an amount equivalent to the proportionate charge to the Customer for the period during which the aforementioned faults in transmission occur. The Company's liability for gross negligence or intentional misconduct is not limited by this tariff.

2.4.2 The Company shall be indemnified and held harmless by the Customer against:

- (A) Claims for libel, slander, or infringement of copyright arising out of the material, data, information, or other content transmitted for the Customer.
- (B) All other claims arising out of any act or omission of the Customer in connection with any service or facility provided by the Company.

2.4.3 The included tariff language does not constitute a determination by the Commission that a limitation of liability imposed by the Company should be upheld in a court of law. Acceptance for filing by the Commission recognizes that it is a court's responsibility to adjudicate negligence and consequential damage claims. It is also the court's responsibility to determine the validity of the exculpatory clause.

REC'D MAY 29 2001

3.1 Usage Based Services

The Company's charges are based on the actual usage of Company's services, plus any special features and/or service options, if any. Charges begin when the designated communication termination(s) is/are accessed and enabled thereby ("connected") to receive the communication from the originating location on the network. Charges cease when the called or calling party "hangs up".

3.2 Long Distance Telecommunications Network Service

The Company's Long Distance Telecommunications Network Service provides for the switchless resale of various Underlying Carriers' services including, AT&T's tariffed Software Defined Network (SDN) Service. This service is a custom designed private telecommunications network that combines the efficiencies and benefits of both switched and private line service to meet the specific requirements of Customers needing to communicate on an interlata basis within the State.

Each service Customer is billed individually for each call, on a conversation minute basis, placed through the Company since the previous month's billing. Each call is measured and billed at the applicable rate for the initial sixty (60) second period or fraction thereof, and then at the applicable rate for each additional sixty (60) second period or fraction thereof. The minimum length of a call is sixty (60) seconds. See Section 4, Rates, for the applicable rate schedule.

Dedicated access circuits may be provided and billed by the local exchange company (LEC). Dedicated access channels may be purchased from carriers other than the LEC only in accordance with Commission rules. Charges for the dedicated access channel are determined by the access provider.

SECTION 3 - DESCRIPTION OF SERVICES (Cont'd)

REC'D MAY 29 2001

3.8 Timing of Calls

3.8.1 Usage charges are based on usage of the Company's service. Chargeable time begins when a connection is established between the calling station and the called station. Chargeable time ends when either party "hangs up" thereby releasing the network connections.

3.8.2 Minimum call duration and usage measurement and rounding for billing purposes is specified on per-product basis in the rate section of this tariff.

3.8.3 There is no billing applied for incomplete calls.

3.9 Company Calling Card

3.9.1 This service permits use of a Calling Card to access and pay for the Company's telecommunications services.

3.9.2 Customers obtain the service by dialing an 800 number or other access codes to access the Company's network. The Customer is prompted by an automated voice response system to enter his/her PIN, and then to enter the terminating telephone number. The Company's processor tracks the call duration from when the call is answered by the Company's processor for rating purposes on a real time basis. Billing for all calls ends when the called party hangs-up.

REC'D MAY 29 2001

3.10 Customer Complaints and/or Billing Disputes

Customer inquiries or complaints regarding service or accounting may be made in writing or by telephone to the Company at:

24333 Southfield Road, Suite 103
Southfield, MI 48075
(800) 574-0304

Any objection to billed charges should be reported promptly to the Company. Adjustments to Customers' bills shall be made to the extent that records are available and/or circumstances exist which reasonably indicate that such charges are not in accordance with approved rates or that an adjustment may otherwise be appropriate. Where overbilling of a Customer occurs, due either to Company or Customer error, no liability exists which will require the Company to pay any interest, dividend or other compensation on the amount overbilled.

If Customer complaints cannot be resolved by the Company, the Customer may contact the Missouri Public Service Commission at the following address:

200 Madison Street
Jefferson City, MO 65102-0360

SECTION 4 - RATES (Cont'd)Missouri Public
Service Commission4.2 Exemptions and Special Rates

REC'D MAY 29 2001

4.2.1 Discount for Hearing Impaired Customers:

A telephone toll message which is communicated using a telecommunications device for the deaf (TDD) by properly certified hearing or speech impaired persons or properly certified business establishments or individuals equipped with TDDs for communicating with hearing or speech impaired persons will receive, upon request, calls placed between TDDs. The credit to be given on a subsequent bill for such calls placed between TDDs will be equal to applying the evening rate during business day hours and the night/weekend rate during the evening rate period. Discounts do not apply to surcharges or per call add on charges for operator service when the call is placed by a method that would normally incur the surcharge.

4.2.2 Operator Assistance for Handicapped Persons:

Operator station surcharges will be waived for operator assistance provided to a caller who identified him or herself as being handicapped and unable to dial the call because of a handicap.

4.2.3 Directory Assistance for Handicapped Persons:

There is no charge for Directory Assistance for calls from handicapped persons. Such persons must contact the Company for credit on their directory assistance calls.

4.3 Private Line Service

Private line services will be made available to customers in a non-discriminatory manner. Rates for interexchange and local exchange dedicated access, private line, non-switched services will be determined on an Individual Case Basis (ICB). ICB rates will be structured to recover the Company's cost of providing the service and will be made available to the Commission's Staff upon request on a proprietary basis. ICB rates will not be used for switched services.
