RE: Substitute Tariff Sheets  
Tracking No. YE-2014-0168

Dear Secretary:

KCP&L Greater Missouri Operations Company (hereinafter "GMO" or "Company") asks the Commission to substitute the enclosed Economic Development Rider tariff sheets No. 120, 121, 122, 123, and 123.1 for the tariffs filed on October 9, 2013. Commission Staff agrees that specific changes to these sheets should be made. The enclosed substitution reflects those changes. Because these changes do not affect the rider's intent, GMO is asking that the substitution be allowed within the currently established docket.

Thank you for your consideration of this tariff filing. Please contact me directly at (816) 654-1698 or [randy.erickson@kcpl.com](mailto:randy.erickson@kcpl.com) if you require additional information.
