Dear Mr. Woodruff:

The accompanying tariff sheets issued by Union Electric Company d/b/a Ameren Missouri (Ameren Missouri or the Company), are being transmitted for filing as a revision of Schedule No. 6, Schedule of Rates for Electric Service:

<u>Filed</u>	<u>Canceling</u>
1st Revised Sheet No. 139	Original Sheet No. 139
1st Revised Sheet No. 141	Original Sheet No. 141

These tariff sheets are being issued December 9, 2013 to become effective on and after February 7, 2014.

The Company is proposing language that would provide for the use of a credit rating score as permitted by 4 CSR 240-13.030 in determining the need for deposits from residential customers. The Company is also removing an existing criterion for residential deposit requests that is provided for in 4 CSR 240-13.030 and is requesting a variance for the removal of that provision. A historical reference to the interest rate paid on deposits is also being removed as it is no longer pertinent.

These proposed changes have been discussed with the Missouri Public Service Commission Staff and the Office of the Public Counsel.

Sincerely,

Wendy K. Tatro
