**Rules and Regulations Governing
The Rendering of Sewer Service**

Schedule of Rates

Availability

Available to any sewer customer located on the company's sewer collecting mains suitable for suitable for supplying the service requested.

Monthly Rate

Single Family	\$29.36
Multi-Family	\$23.48
Commercial	\$29.36

Emergency Rate, all customer types \$5.24

The Emergency Rate shall be in effect on a "subject to refund basis" through completion of the Company's pending operating revenue increase request (PSC File No. SR-2019-0157) or 8/27/2019, whichever occurs earlier. To the extent the combination of this interim rate and the regular monthly service charge exceeds the new permanent rates set as a result of the operating revenue increase request, the difference in those rates multiplied by the months collected multiplied by the applicable customers shall be refunded through a reduction in the new permanent rates.

Taxes

Any applicable federal, state, or local taxes computed on billing basis shall be added as separate items in rendering each bill.

Late Charges

Billings will be made and distributed at monthly intervals. Bills will be rendered new, bearing the last date on which payment will then be considered delinquent. The period after which payment will then be considered delinquent is 21 days after rendition of the bill. A charge of \$5.00 or three percent (3%) per month times the unpaid balance, whichever is more, will be added to delinquent amounts.
