RE: Case No. GR-2006-0387 – Compliance Tariffs

Dear Ms. Dale:

Enclosed please find tariff sheets filed by Atmos Energy Corporation (“Atmos” or “Company”) in compliance with the Commission’s Report and Order issued on February 22, 2007, in Case No. GR-2006-0387<sup>1</sup>. The tariff sheets reflect an Issued Date of March 1, 2007, and an Effective Date of April 1, 2007.

Submitted pursuant to the above-referenced Order, the enclosed tariff sheets, numbered 1 through 133, constitute Atmos Energy Corporation’s P.S.C. MO. No. 2 Tariff, cancelling Atmos Energy Corporation P.S.C. No. 1 (tariff sheets number 1 through 242). All proposed changes conform to the Commission’s Report and Order, and the resultant effects on the company’s customers are fully discussed therein. As noted at Tariff Sheet 22, whereas the Company is filing tariff pages in compliance with the Order designed to implement a fixed delivery charge, the Company is entering into a significant energy and conservation program as set out in the Order to be approved by the Commission.

Please contact me if you have any questions regarding the enclosed filing. Thank you.

Sincerely,
