

PROMOTIONS

A. General

From time to time, the Telephone Company may elect to offer special promotions to its customers. These promotions will generally consist of a reduced price, a waiver of installation charges, or a free service with a purchase of another service.

Any promotional waiver or discounted rate will apply only one time per customer for each service in any given wire center prefix during the course of the promotional period, subject to prior notification and approval by the Missouri Public Service Commission.

The Telephone Company will provide written notice to the Commission no less than ten (10) days prior to the beginning of each promotion period identifying the promotion and the exchanges within which the promotion will be offered. If facilities permit, all residence and/or business customers will be offered the same opportunity to take advantage of the same terms and conditions under the promotions in which to subscribe to residence or business services.
