# Steelville Telephone Exchange, Inc. of Steelville, Missouri

# P.S.C. MO. NO. 3 6th Revised Sheet No. 40 Cancels 5th Revised Sheet No. 40

# GENERAL RULES AND REGULATIONS RECEIVED PAYMENT FOR SERVICES AND FACILITIES (Cont.)

NOV 1 9 1997

- All bills for local, toll or miscellaneous services are due when rendered and payable at the office of the Telephone Co. or an authorized collection agency, on or before the 21st of the month in which the bill is rendered.
- 3. When the customer has had service discontinued within the last twelve (12) months or where the customer incurs toll or other charges at any time during the billing period which are equal to at least 400% of the deposit or guarantee previously required from the customer, payment may be demanded for the toll charges by a telephone call to the customer followed by written notification of such demand sent by first class mail. If toll charges remain unpaid for then (10) days from rendition of written notification or a mutually established late payment agreement date or twenty-one (21) days from rendition of the bill, such charges will be deemed delinquent.

#### DISCONTINUANCE OF SERVICE

- 1. The Company may discontinue the service and remove its service under the following circumstances, provided suitable notice has been given to the customer, as required:
  - a. Nonpayment of an undisputed delinquent charge.
  - b. Failure to post a required deposit or guarantee.
  - c. Unauthorized use of telephone utility service in a manner which creates an unsafe condition or creates the possibility of damage or destruction to company property.
  - d. Failure to substantially comply with the terms of a settlement agreement.
  - e. Refusal after reasonable notice to permit inspection, maintenance, or replacement of telephone utility property.
  - f. Material misrepresentation of identity in obtaining telephone utility service.
  - g. As provided by state or federal laws.
  - h. Nonpayment of undisputed, delinquent state or interstate long distance service charges billed by the Company or undisputed delinquent exchange service charges including any FCC-approved end user charge or both, with the exception of Lifeline service.

Α. General Regulations (Cont'd)

BEGENSE

JAN 1 5 1997

- 10. Installation Charges and the appropriate NID material charge apply when a premises for ministration of installing a customer requested NID.
- 11. The Company shall not be liable for shortages of coins collected and deposited at the subscriber's equipment. The limit of the Company's liability for end user fraud of whatever nature occurring at or in association with the subscriber's equipment shall be governed by provisions of this Tariff and rule or regulations of the Missouri Public Service Commission. In case of conflict between the tariff provisions and Commission rules and regulations, the rule or regulations shall prevail.
- 12. Off-Premise Extensions to a payphone service provider are not permitted.
- 13. Local messages from Payphones are charged at no higher than twenty-five (25) cents for each call. Upon implementation of the FCC rules preempting state regulations of payphone rates, this subsection will not apply.
- 14. The Multiline Business Subscriber Line Charge, found in the interstate access tariff, is applicable to all payphone Instrument and CO Implemented coin lines.
- B. Responsibility of the Customer
  - 1. The Customer for the purposes of this tariff is defined as the Payphone Service Provider.
  - 2. The customer shall be responsible for the installation, operation and maintenance of the customer-provided instrument, plus all ancillary equipment, such as booths, shelves, lighting, directories, etc., used in connection with this service. The customer is responsible to comply with the requirements set forth in the American With Disabilities Act of 1990.

The customer-provided instrument must be registered in compliance with Part 68 of the FCC's Registration Program. In addition, the customer must comply with the Missouri Public Service Commission's Rules and Regulations regarding the use of customer-provided pay telephones.
