PUBLIC SERVICE COMMISSION**

At a session of the Public Service  
Commission held at its office in  
Jefferson City on the 20<sup>th</sup> day of  
May, 2015.

In the Matter of Union Electric Company, d/b/a	)	<b><u>File No. ER-2014-0258</u></b>
Ameren Missouri's Tariff to Increase Its	)	Tariff Nos. YE-2015-0325
Revenues for Electric Service	)	YE-2015-0326

**ORDER APPROVING COMPLIANCE TARIFF SHEETS**

Issue Date: May 20, 2015

Effective Date: May 30, 2015

On April 29, 2015, the Commission issued a report and order that rejected Ameren Missouri's tariff to increase the company's annual revenues from its provision of electric service. However, the Commission authorized Ameren Missouri to file a tariff sufficient to recover revenues as determined in that report and order. Ameren Missouri filed its compliance tariff on May 6.

Ameren Missouri's compliance tariff carries a 30-day effective date that would put the tariff in effect on June 5. However, Ameren Missouri filed a motion along with its tariff asking the Commission to expedite its consideration of the compliance tariff and to approve the tariff to go into effect on May 30, which is the date to which the Commission suspended Ameren Missouri's initial rate increase tariff.

Upon receiving Ameren Missouri's motion for expedited approval of its tariff, the Commission issued an order on May 7, directing its Staff to file a recommendation regarding Ameren Missouri's tariff by May 15. That order also directed any other party

wishing to file a recommendation regarding Ameren Missouri's tariff to do so no later than May 15.

On May 14, the Commission's Staff filed its recommendation regarding Ameren Missouri's compliance tariff and motion for expedited treatment. Staff concludes the tariff complies with the Commission's report and order, and recommends the Commission approve the compliance tariff to be effective on May 30.<sup>1</sup> No other party filed a recommendation, and no party has filed a response to Staff's recommendation.

The Commission has reviewed the proposed tariff and Staff's recommendation. The Commission concludes the submitted compliance tariff is consistent with the Commission's report and order. Expedited approval of the tariff is appropriate because the Commission has found that the rates resulting from its report and order are just and reasonable and Ameren Missouri should not be required to wait beyond the original suspension date to implement those rates. Thus, for good cause shown pursuant to Section 393.140(11), RSMo 2000, The Commission will approve Ameren Missouri's tariff to become effective for service rendered on and after May 30, 2015.

**THE COMMISSION ORDERS THAT:**

1. The proposed electric service tariff submitted under Tariff Nos. YE-2015-0325 and YE-2015-0326 by Union Electric Company, d/b/a Ameren Missouri, is approved effective on and after May 30, 2015. The specific tariff sheets approved are:

---

<sup>1</sup> Staff previously recommended the Commission reject Ameren Missouri's compliance tariff because Staff believed the tariff sheet that establishes a reduced load-retention rate for industrial aluminum smelters did not comply with the intent of the Commission. The Commission issued an order on May 13 rejecting that recommendation.
