SECTION I - GENERAL RULES AND REGULATIONS

MISSOURI
Public Service Commission

A. Application

This tariff contains all effective rates and rules for intrastate services together with information relating to, and applicable to Phoenix Network, Inc., d/b/a Office Depot Communications. All elements of services listed in this Tariff have been considered as competitive and Phoenix Network, Inc., d/b/a Office Depot Communications has been granted competitive status as an entity by the Missouri Public Service Commission.

Phoenix Network, Inc., d/b/a Office Depot Communications provides telecommunications services between Missouri subscribers and other termination points within the United States. Note: this tariff applies only to communications between origination points in Missouri and termination points in Missouri. Contact the Carrier for information regarding rates and rules applicable to interstate services.

B. Liability of Carrier

(1) The liability of the Carrier for damages arising out of mistakes, omissions, interruptions, delays or errors or defects in the transmission occurring in the course of furnishing service, channels or other facilities and not caused by the negligence of the Customer, commences upon activation of service and in no event exceeds an amount equivalent to the proportionate charge to the Customer for the period of service during which such mistakes, omissions, interruptions, delays or errors or defects in the transmission occur, or as otherwise determined in a court of law. For the purposes of computing such amount, a month is considered to have thirty (30) days.

(2) In no event will Carrier be responsible for consequential damages or lost profits suffered by the Customer on account of interrupted or unsatisfactory service unless Carrier is found to have been grossly negligent.

(3) The Carrier is not liable for any act or omission of any other company or companies furnishing a portion of the service. No agents or employees of other carriers shall be deemed to be agents or employees of the Carrier.

B. Liability of Carrier (continued)

(4) The Carrier is not liable for any acts or claims made by independent Missouri Public Service Commission authorized distributors unless they are expressly approved by an officer of the Carrier in writing or contained in a document provided by the Carrier to the distributor or client.

(5) The Carrier shall be indemnified and held harmless by the customer against:

(a) Claims for libel, slander, infringement of copyright or unauthorized use of any trademark, trade name or service mark arising out of the material, data, information or other content transmitted over Phoenix Network, d/b/a Office Depot Communications, facilities;

(b) Claims for patent infringement arising from combining or connecting the Carrier facilities with apparatus and systems of the customer; and

(c) All other claims arising out of any act or omission of the customer in connection with any service provided by the Carrier.

C - Establishment and furnishing of service

(1) Application for service

Businesses or residential households wishing to obtain service are required either to submit a written application for service on a form furnished by Carrier; or to authorize a designated representative of Carrier to submit such an application, provided that Carrier shall not process such applications until it has contacted the customer to confirm the information contained in the application. Carrier will review a customer's application for service promptly, including relevant credit information and notify the customer in writing after the review has been completed. Under normal circumstances, customers will be provided with service within 30 days after Carrier's approval of the application.

The application is a request for service and does not in itself bind the Carrier to service except under specific conditions (which must be agreed to in writing by an authorized agent of Carrier).

D. Advance Payments and deposits

MISSOURI

Carrier reserves the right to collect deposits from its Missouri customers. Deposits will be charged in accordance with the regulations of the Missouri Public Service Commission.

E. Rendering and Payment of Bills

- (1) Customer is responsible for payment of all charges for services furnished to customer, including any applicable taxes.
- (2) Billing periods are monthly. However, bills will not be mailed unless there is a five dollar charge (debit or credit).
- (3) Bills are due and payable upon receipt. A bill which has remained unpaid for a period of more than 30 calendar days shall be considered a delinquent bill and a late payment penalty will be applied. The penalty for commercial bills will be 2 % per month (or maximum allowed by law, whichever is lower). When a penalty is assessed due to late payment, any payment received shall first be applied to the bill for services rendered. Additional penalty charges in subsequent bills shall not be assessed to unpaid penalty charges.
- (4) In the event that legal action is instituted by Carrier to recover any sums then due and Carrier prevails, Carrier shall be entitled to recover in addition to such sums then due, its costs of collection, including reasonable attorneys' fees.
- (5) Bills may be paid by mail or in person at the business office of the Carrier. All bills for service are payable only in United States currency. Payment may be made by check or money order.

F - Discontinuance and Restoration of Service

Service continues to be provided until canceled by the customer, in writing, or until canceled by the Carrier as set forth below.

Public Service Commission

(1) Cancellation by the customer

A customer may have his service canceled upon written notice provided 30 days in advance of the desired cancellation date. The Carrier will hold the customer responsible for payment of all bills for service furnished until the cancellation date specified by the customer or until 30 days after the written cancellation notice is received, whichever is later

(2) Cancellation by the Carrier

The Carrier may discontinue service or cancel an application for service without incurring any liability for any of the reasons set forth below.

For Nonpayment:

The Carrier, by written notice to the customer, may discontinue service or cancel an application for service when there is any sum owing to Carrier for service that is more than 30 days overdue. At least ten days' notice of proposed cancellation for nonpayment will be provided.

For Returned Checks:

Customers whose check is returned as uncollectible will be subject to discontinuance of service in the same manner as for non-payment of overdue charges. Customers will be subject to a charge of \$15.00 for each check returned as uncollectible.

The Carrier may discontinue service or cancel an application for service if the customer violates any law, rule or regulation of any governmental authority having jurisdiction over Carrier's service.

In Compliance with Governmental Requirement:

The Carrier may immediately discontinue service or cancel an application for service pursuant to a prohibition from furnishing service issued by a court or other governmental authority of competent jurisdiction.

For Furnishing False or Misleading Information or Exceeding Credit Limit:

The Carrier may immediately discontinue service or cancel an application for service if the customer has provided false or misleading information to the Carrier or if the customer's usage exceeds its authorized credit limit.

D. Measurement of Distance

The mileage between rate centers is calculated based on V and H coordinates as obtained by references to AT&T Tariff FCC No. 10.

MISSOURI
Public Service Commission

Method of Calculation

The airline mileages between two rate centers is calculated as follows:

$$\text{Mileage} = \sqrt{\frac{(V_1 - V_2)^2 + (H_1 - H_2)^2}{10}}$$

where V_1 and H_1 are the V and H coordinates of point 1 and V_2 H_2 are the coordinates of point 2.

The mileage is rounded up to an integer value to determine the airline mileage.
