FILING VIA EFIS

Re: Summit Natural Gas of Missouri, Inc. Tariff Filing

Dear Mr. Woodruff:

Enclosed for filing with the Missouri Public Service Commission ("Commission") on behalf of Summit Natural Gas of Missouri, Inc. ("SNG"), please find in electronic format certain revised tariff sheets. P.S.C. MO No. 3, 1st Revised Tariff Sheet No. 28 replaces P.S.C. MO No. 3, Original Tariff Sheet No. 28. P.S.C. MO No. 3, 1st Revised Tariff Sheet No. 29 replaces P.S.C. MO No. 3, Original Tariff Sheet No. 29.

These tariff sheets are being filed due to a typographical error discovered in Sheet Nos. 28 and 29 of the Summit Natural Gas of Missouri, Inc. tariff. The particular tariff sheets pertain to the Branson and Rogersville Division Transportation Service Class and have a typographical error in the minimum commodity rate. In these tariff sheets, the units were converted from MMBtu to Ccf as was recommended by the Staff of the Missouri Public Service Commission; however, the decimals in the rates were not changed accordingly.

Each of the revised tariff sheets, as provided and listed herein, bears an issue date of December 17, 2014 and a proposed effective date of January 16, 2014, as provided by Commission Rule 4 CSR 240-3.260. SNG requests that these revised tariff sheets be permitted to take effect by operation of law.

Please bring this filing to the attention of the Commission and the appropriate Commission personnel.

Sincerely,

/s/ Martha Davis
