RE: Extension of Effective Date (Tariff No. 5) – Navigator Telecommunications, LLC.  
Local Tariff Filing JC-2003-1388

Dear Judge Roberts,

Navigator filed a revised local tariff (Tariff No. 5) with the Missouri Public Service Commission on January 27, 2003, which originally carried an effective date of February 26, 2003. However, due to some outstanding issues that needed to be addressed with Ms. Sherri Kohly, Navigator requested that the Commission extend the effective date of the filing until March 17, 2003. Now, due to the fact that we have sent notices to customers with price increases effective April 2, 2003, we request that the Commission extend the effective date of our tariff filing again from March 17 to April 2, 2003.

Also, we ask that the Commission withdraw Section 4, Pages 2 – 17 that were originally filed on January 27, 2003. These pages should no longer be included as part of our tariff.

I appreciate your assistance with this request. Please contact Mark Herring at (501) 954-4053 if you require additional information about this request.

Sincerely,

Michael McAlister  
General Counsel
