This service provides a toll free telephone number and a 4-digit security code to which calls may be received from any location within the state. The account will be billed for these in-state long distance and local toll calls at the per-minute rate set forth below. A 6-digit Rerouting Code will also be provided, which will allow the customer to use the "Follow Me" Routing feature."

"A personal 800 customer shares access to a toll free number with other customers. The customer may not retain the toll free number to any right therein if the Personal 800 service is discontinued. There is a limit of ten Personal 800 numbers per customer telephone number. The standard Holiday discounts do not apply to these calls."

"Follow-Me Routing: This feature allows a Personal 800 customer to change the telephone number to which calls to his or her Personal 800 number will be terminated. To make a Follow-Me change, a customer may use his or her Personal 800 number and the 6-digit Rerouting Code. There is no limit on the number of changes a customer may make."

.3423 MCI Personal 800 Number

MCI Personal 800 Number: MCI Personal 800 Number provides a telephone number at which calls may be received from any location within the state of Missouri for a monthly subscription fee and one time installation fee identified in MCI WORLD COM's F.C.C. Tariff No. 1. The customer will be charged a per minute usage rate of \$.30. MCI WORLD COM will provide to the customer an 800 telephone number, a 4 digit Security Code, and, upon request a 6 digit Rerouting Code which will allow the customer to use the "Follow-Me" Routing feature. The Friends and Family and standard Holiday discounts do not apply to these calls. A MCI Personal 800 Number customer shares access to an 800 number with other customers and acquires service based on a 4 digit Security Code assigned to the customer. Thus, a customer may not retain the 800 number or any right therein when his or her service is discontinued. There is a limit of ten numbers per customer telephone number for MCI Personal 800 Number.

Follow-Me Routing: This feature allows a MCI Personal 800 Number customer to change the telephone number to which calls to his or her MCI Personal 800 Number will be terminated. To make a Follow Me change, a customer may use his or her MCI Personal 800 Number and the 6 digit Rerouting Code. There is no limit on the number of changes a customer may make.

.3523 MCI Personal 800 Number

MCI Personal 800 Number: MCI Personal 800 Number provides a telephone number at which calls may be received from any location within the state of Missouri for a monthly subscription fee and one time installation fee identified in MCI WORLDCOM's F.C.C. Tariff No. 1. The customer will be charged a per minute usage rate of \$.30. MCI WORLDCOM will provide to the customer an 800 telephone number, a 4 digit Security Code, and, upon request a 6 digit Rerouting Code which will allow the customer to use the "Follow-Me" Routing feature. The Friends and Family and standard Holiday discounts do not apply to these calls. A MCI Personal 800 Number customer shares access to an 800 number with other customers and acquires service based on a 4 digit Security Code assigned to the customer. Thus, a customer may not retain the 800 number or any right therein when his or her service is discontinued. There is a limit of ten numbers per customer telephone number for MCI Personal 800 Number.

.3822 Calling Card: Basic Calling Plan YY calling card access is available for origination from touch tone or rotary phones by dialing an MCI provided 800 number. Basic Calling Plan YY customers will be charged a per minute rate of \$0.55 and a per call surcharge of \$0.99 for all interLATA and intraLATA calling card calls, except that customers will be charged a per minute rate of \$0.15 for all time periods, and the Company will waive the per-call surcharge, for interLATA and intraLATA calling card calls which terminate to the customer's billed ANI.

.3823 Personal 800

This service provides a toll free telephone number and a 4-digit security code to which calls may be received from any location within the state. The account will be billed for these in-state long distance and local toll calls at the per-minute rate set forth below. A 6-digit Rerouting Code will also be provided, which will allow the customer to use the "Follow Me" Routing feature.

A personal 800 customer shares access to a toll free number with other customers. The customer may not retain the toll free number to any right therein if the Personal 800 service is discontinued. There is a limit of ten Personal 800 numbers per customer telephone number. The standard Holiday discounts do not apply to these calls.

Follow-Me Routing: This feature allows a Personal 800 customer to change the telephone number to which calls to his or her Personal 800 number will be terminated. To make a Follow-Me change, a customer may use his or her Personal 800 number and the 6-digit Rerouting Code. There is no limit on the number of changes a customer may make.

The following per-minute rate will apply to all Personal 800 calls:  
\$0.45 per min.

.3922 Calling Card: Basic Calling Plan ZZ calling card access is available for origination from touch tone or rotary phones by dialing an MCI provided 800 number. Basic Calling Plan ZZ customers will be charged a per minute rate of \$0.55 and a \$0.99 per call surcharge for all interLATA and intraLATA calling card calls, except that customers will be charged \$0.20 per minute for all time periods, and the Company will waive the per-call surcharge, for interLATA and intraLATA calling card calls which terminate to the customer's billed ANI.

.3923 Personal 800 C/I

This service provides a toll free telephone number and a 4-digit security code to which calls may be received from any location within the state. The account will be billed for these in-state long distance and local toll calls at the per-minute rate set forth below. A 6-digit Rerouting Code will also be provided, which will allow the customer to use the "Follow Me" Routing feature.

A personal 800 customer shares access to a toll free number with other customers. The customer may not retain the toll free number to any right therein if the Personal 800 service is discontinued. There is a limit of ten Personal 800 numbers per customer telephone number. The standard Holiday discounts do not apply to these calls.

Follow-Me Routing: This feature allows a Personal 800 customer to change the telephone number to which calls to his or her Personal 800 number will be terminated. To make a Follow-Me change, a customer may use his or her Personal 800 number and the 6-digit Rerouting Code. There is no limit on the number of changes a customer may make.

The following per-minute rate will apply to all Personal 800 calls:  
\$0.45 per min. C/I

All other card calls will be charged a per minute rate of \$0.55 and a per call surcharge of \$0.99 for all intrastate calls.

.403 Personal 800

This service provides a toll free telephone number and a 4-digit security code to which calls may be received from any location within the state. The account will be billed for these in-state long distance and local toll calls at the per-minute rate set forth below. A 6-digit Rerouting Code will also be provided, which will allow the customer to use the "Follow Me" Routing feature.

A personal 800 customer shares access to a toll free number with other customers. The customer may not retain the toll free number to any right therein if the Personal 800 service is discontinued. There is a limit of ten Personal 800 numbers per customer telephone number. The standard Holiday discounts do not apply to these calls.

Follow-Me Routing: This feature allows a Personal 800 customer to change the telephone number to which calls to his or her Personal 800 number will be terminated. To make a Follow-Me change, a customer may use his or her Personal 800 number and the 6-digit Rerouting Code. There is no limit on the number of changes a customer may make.

The following per-minute rate will apply to all Personal 800 calls: \$0.45 per min.

SECTION C - SERVICE DESCRIPTIONS AND RATES (Cont.)3. METERED USE SERVICE (Cont.).41 Option NN (220 Direct Plan)<sup>1</sup>

Customers of Metered Use Service Option NN (220 Direct Plan) who have made a minimum of 1 call under the 1010220 service as set forth in Teleconnect Company, MO Tariff No. 1 during the period beginning April 1, 1999, and ending August 15, 2000, will be eligible to enroll in this plan.

.411 Monthly Minimum Charge: \$5.00 per account if total Option NN usage charges are less than \$5.00 per account per month. The \$5.00 charge is applied against the month's usage charges.

.412 Access Methods and Charges

.4121 Dial-1: Customers enrolled in this plan will be charged a per minute rate of \$0.07 for the first minute or a portion thereof, \$0.99 per call for calls exceeding 1 minute up to twenty minutes, and a per minute rate of \$0.07 for each minute of usage after twenty minutes.

.4122 Calling Card Access: Customers enrolled in this plan will be charged a per minute rate of \$0.15 for all time periods for all InterLATA and IntraLATA calling card calls made to the customer's billed ANI. All other card calls will be charged a per minute rate of \$0.55 and a per call surcharge of \$0.99 for all intrastate calls.

.413 Personal 800:

This service provides a toll free telephone number and a 4-digit security code to which calls may be received from any location within the state. The account will be billed for these in-state long distance and local toll calls at the per-minute rate set forth below. A 6-digit Rerouting Code will also be provided, which will allow the customer to use the "Follow Me" Routing feature.

A personal 800 customer shares access to a toll free number with other customers. The customer may not retain the toll free number to any right therein if the Personal 800 service is discontinued. There is a limit of ten Personal 800 numbers per customer telephone number. The standard Holiday discounts do not apply to these calls.

Follow-Me Routing: This feature allows a Personal 800 customer to change the telephone number to which calls to his or her Personal 800 number will be terminated. To make a Follow-Me change, a customer may use his or her Personal 800 number and the 6-digit Rerouting Code. There is no limit on the number of changes a customer may make.

The following per-minute rate will apply to all Personal 800 calls: \$0.45 per min.

.414 Directory Assistance: An undiscounted charge per call will be applied to each Directory Assistance call subject to the rate and provisions set forth in Section B-6.08.

.415 Operator Assistance: The charges found in Section C-3.0264 apply to all 220 Direct Plan customers without regard to the type of access.

.464 MCI Personal 800 Number

MCI Personal 800 Number: MCI Personal 800 Number provides a telephone number at which calls may be received from any location within the state of Missouri for a monthly subscription fee and one time installation fee identified in MCI WORLDCOM's F.C.C. Tariff No. 1. The customer will be charged a per minute usage rate of \$.30. MCI WORLDCOM will provide to the customer an 800 telephone number, a 4 digit Security Code, and, upon request a 6 digit Rerouting Code which will allow the customer to use the "Follow-Me" Routing feature. The Friends and Family and standard Holiday discounts do not apply to these calls. A MCI Personal 800 Number customer shares access to an 800 number with other customers and acquires service based on a 4 digit Security Code assigned to the customer. Thus, a customer may not retain the 800 number or any right therein when his or her service is discontinued. There is a limit of ten numbers per customer telephone number for MCI Personal 800 Number.

.5453 MCI Personal 800 Number

MCI Personal 800 Number provides a telephone number at which calls may be received from any location within the state of Missouri for a monthly subscription fee and one time installation fee identified in <http://www.mci.com/service>. The customer will be charged a per minute usage rate of \$.30. WORLDCOM will provide to the customer an 800 telephone number, a 4 digit Security Code, and, upon request a 6 digit Rerouting Code which will allow the customer to use the "Follow-Me" Routing feature. The Friends and Family and standard Holiday discounts do not apply to these calls. A MCI Personal 800 Number customer shares access to an 800 number with other customers and acquires service based on a 4 digit Security Code assigned to the customer. Thus, a customer may not retain the 800 number or any right therein when his or her service is discontinued. There is a limit of ten numbers per customer telephone number for MCI Personal 800 Number.

Follow-Me Routing: This feature allows a MCI Personal 800 Number customer to change the telephone number to which calls to his or her MCI Personal 800 Number will be terminated. To make a Follow Me change, a customer may use his or her MCI Personal 800 Number and the 6 digit Rerouting Code. There is no limit on the number of changes a customer may make.

.546 Directory Assistance: An undiscounted charge per call will be applied to each Directory Assistance call, subject to the rate and provisions set forth in Section B-6.08.

.547 Operator Assistance: The charges found in Section C-3.0264, herein, apply to all Basic Calling Plan E customers without regard to the type of access.
