Dear Commissioner Kenney:

On April 24, 2014 you received a letter from me regarding Noranda's request for rate relief by the PSC. I am retracting the letter due to several statements which I have found to be incorrect.

The St. Louis Labor Council has supported Ameren and its commitment to the State of Missouri and its workforce in the past, and will continue to do so. Organized Labor is not taking a stance either for or against the PCS decision to grant rate relief to anyone. Our position has and will remain on the side of workers.

Ameren has a strong record of providing good quality jobs which benefit the workers we represent at the Council, and for this reason I ask you to disregard the April 24, 2014 letter.

I am truly sorry for any confusion created by my error and will, in the future be quicker to investigate the facts and examine all the information required for a thorough response.

Sincerely,

Robert A. Soutier, President
