RE: Request Commission Approval of Rules and Regulations
Air Conditioning Upgrade Rebate (formerly Cool Homes)

Dear Secretary:

KCP&L Greater Missouri Operations Company ("GMO" or "Company") seeks approval from the Missouri Public Service Commission of the enclosed revisions to its existing Cool Homes tariff, renamed Air Conditioning Upgrade Rebate Program. The tariff sheets also modifies the specific CheckME!™ protocol language to "preferred protocols."

Thank you for your consideration of the revisions to this existing tariff. Please contact me directly at (816) 556-2263 or carol.sivils@kcpl.com if you require any additional information.

Sincerely,

A handwritten signature in cursive script that reads "Carol Sivils".
