**ORDER SUSPENDING TARIFF, SCHEDULING PRE-HEARING  
CONFERENCE, DIRECTING NOTICE, AND SETTING DEADLINE FOR  
INTERVENORS**

Issue Date: September 4, 2014

Effective Date: September 4, 2014

On August 29, 2014, The Empire District Electric Company ("Empire") submitted to the Missouri Public Service Commission revised tariff sheets to implement an increase of approximately \$24.3 million dollars to Empire's gross annual electric revenues. The proposed tariff sheets have an effective date of September 28, 2014.

Section 393.150, RSMo 2000, authorizes the Commission to suspend the effective date of proposed tariff sheets for 120 days, plus an additional 6 months to allow for a hearing. Accordingly, in order to determine if Empire's proposed tariff sheets are just, reasonable and in the public interest, the Commission will suspend the tariff sheets for 120 days beyond the effective date. Further, because a hearing cannot be concluded within 120 days, the Commission will suspend the tariffs for an additional six months.

The Commission will schedule an early prehearing conference and require the parties to agree on a proposed procedural schedule and hearing dates. Staff will have primary responsibility for preparing the proposed procedural schedule.

The Commission will direct its Data Center to serve a copy of this order upon the county commission of the counties in Empire's service area. Additionally, the Commission will direct the Public Information Office to make notice of this order available to the media serving Empire's service area and to the members of the General Assembly representing those areas. Finally, the Commission will set a date by which applications to intervene shall be filed.

If any person needs additional accommodations to participate in any hearing, please call the Missouri Public Service Commission's Hotline at 1-800-392-4211 (voice) or Relay Missouri at 711 before the hearing.
