Mr. Steven C. Reed Secretary Missouri Public Service Commission 200 Madison Street, Suite 100 Jefferson City, MO 65102-0537

RE: Trans National Communications International, Inc., Tariff Advice Letter No. 6

Dear Mr. Reed:

Attached for filing with the Missouri Public Service Commission ("Commission") is revised Sheet No. 38 for incorporation into Trans National Communications International, Inc.'s ("TNCII") Missouri switched access tariff, Missouri P.S.C. Tariff No. 4.

With this filing, TNCII complies with the July 1, 2013 interstate access rate benchmarking requirement set forth in Section 51.911(c) of the Federal Communications Commission's Rules, Access Reciprocal Compensation Rates for Competitive LECs, promulgated under the *USF/ICC Transformation Order*,¹ as amended, which states in part:

Beginning July 1, 2013, notwithstanding any other provision of the Commission's rules, all Competitive Local Exchange Carrier Access Reciprocal Compensation rates for switched exchange access services subject to this subpart shall be no higher than the Access Reciprocal Compensation rates charged by the competing incumbent local exchange carrier, in accordance with the same procedures specified in §61.26 of this chapter.

TNCII now sets its composite terminating intrastate rate at parity with the corresponding interstate rate, effective July 1, 2013. The Company also eliminates the Carrier Common Line Service. Also enclosed is a copy of the applicable page from TNCII's interstate tariff evidencing its compliance with Section 61.26 of the FCC's Rules.
