**ORDER APPROVING NAME CHANGE TARIFFS**

Issue Date: June 11, 2010

Effective Date: June 11, 2010

On February 1, 2010, the Commission granted Buffalo Merger Sub, Inc. certificates of service authority to provide basic local, nonswitched local exchange, and interexchange telecommunications services in Missouri. Buffalo Merger Sub existed to facilitate Windstream Corporation's acquisition of Iowa Telecommunications Services, Inc., d/b/a Iowa Telecom. In its application for certificate authority, Buffalo Merger Sub indicated its intention to change its name to Windstream Iowa Communications, Inc. when the acquisition was complete. The acquisition is now complete, and on June 3, Buffalo Merger Sub file tariffs to change its name and to adopt the existing tariffs of Iowa Telecom. The submitted tariffs carry a July 3 effective date, but Buffalo Merger Sub asks the Commission to approve those tariffs as soon as possible so that its tariffs will reflect its chosen name.

The Commission's Staff filed its recommendation regarding the tariffs on June 10. Staff explained that the tariffs change the name under which the company will operate but

do not otherwise alter the rates, terms, or conditions of the services the company offers. Staff advises the Commission to approve the name change tariffs on an expedited basis.

For good cause shown, as allowed by Section 392.220.2, RSMo Supp. 2009, the Commission will approve the submitted tariff to take effect on less than 30-day's notice.

**THE COMMISSION ORDERS THAT:**

1. The proposed tariff sheets submitted under Tracking No. YI-2010-0686 and YI-2010-0687 by Windstream Iowa Communications, Inc. are approved, effective on and after June 21, 2010. The specific tariff sheets approved are:
