Mr. Morris Woodruff Secretary/Chief Regulatory Law Judge Missouri Public Service Commission 200 Madison Street, Suite 100 Jefferson City, MO 65102

## Re: Tariff Schedule to Adjust FAC Rate of KCP&L Greater Missouri Operations Company

Dear Mr. Woodruff:

Pursuant to 4 C.S.R. 240-20.090(4) of the regulations of the Missouri Public Service Commission ("Commission"), KCP&L Greater Missouri Operations Company ("KCP&L-GMO" or the "Company") hereby submits proposed rate schedules to adjust charges related to the Company's approved Fuel Adjustment Clause ("FAC"). The proposed rate schedules bear an issue date of December 31, 2013, and an effective date of March 1, 2014.

Please provide a copy of all correspondence, notices, orders, and other communications that relate to this filing to the following as well as undersigned counsel:

Linda J. Nunn Supervisor - Regulatory Affairs Kansas City Power & Light Company 1200 Main Street – 19<sup>th</sup> Floor Kansas City, Missouri 64105 Phone: (816) 701-0512 Fax: (816) 556-2110 Email: linda.nunn@kcpl.com

FAC net includable costs for the six month period ending November 30, 2013, have increased by approximately \$0.8 million for L&P and \$5.0 million for MPS above the base costs included in rates. In accordance with the FAC for KCP&L-GMO approved by the Commission, the proposed rate schedules are designed to recover from customers 95 percent of those net cost increases. The requested increase will result in a decrease to a typical residential customer's bill

Mr. Morris Woodruff, Secretary December 31, 2013 Page 2

of approximately \$0.82 per month for MPS and a decrease of approximately \$1.10 per month for L&P.

As explained in the Direct Testimony and supporting schedules of Linda Nunn, which are submitted concurrently herewith, the overall FAC continues to be positive because net fuel and purchased power costs continue to be higher than the base costs established in the last rate case. Also provided herewith are schedules containing the information required by 4 C.S.R. 240-3.161(7), including all workpapers that support the proposed rate schedules.

Copies of the proposed FAC-related rate schedules and all supporting materials described in this letter will be served electronically, this date, on the Commission's General Counsel, the Office of Public Counsel, and each party to Case No. ER-2012-0175.

Respectfully submitted,

## |s| Roger W. Steiner
