Effective Date: March 2, 2015

On January 29, 2015, the Staff of the Missouri Public Service Commission filed a motion requesting Unity Telecom, LLC (“Unity”) certificate of service authority and accompanying tariff to provide competitive basic local and interexchange telecommunication services in the State of Missouri be cancelled.

In File Number CN-2013-0121, the Commission granted Unity a certificate of service authority to provide competitive basic local interexchange telecommunication service in the State of Missouri. The Company’s tariff, P.S.C. Mo No. 2, was also approved.

Staff states in its motion that Unity notified the Commission that Unity no longer wished to retain its certification to provide telecommunications services in Missouri. Staff recommends that the Commission cancel the company’s certificate of service authority to provide competitive basic local interexchange telecommunications services, and the company’s accompanying tariff.

On February 2, 2015, the Commission issued an Order Establishing Time to Respond allowing any parties to file an objection or request a hearing to do so no later than February 13, 2015. No objections or requests for a hearing were filed.

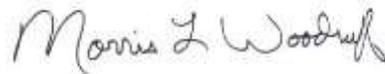

The Commission has the authority to cancel a certificate and tariff pursuant to Section 392.410.5, RSMo, which states, in part, “[a]ny certificate or service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.”

Based on Staff’s motion, the Commission finds that the certificate of service authority and accompanying tariff granted to Unity Telecom, LLC, shall be canceled.

1. The certificate of authority to provide competitive basic local and interexchange telecommunications services granted to Unity Telecom, LLC, in File Number CN-2013-0121, is canceled.
