Dear IAMO Telephone Company Customer:

The IAMO Telephone Company Board of Directors approved an increase in rates affecting prices for Local Exchange Access Line Service. The increase will apply to your usage beginning on June 1<sup>st</sup> 2017.

The Federal Communications Commission (FCC) previously issued an order requiring all local phone service providers to charge a minimum rate for local phone service in or to avoid the forfeiture of federal support funds. For 2017, the established minimum monthly residential rate has been \$18.00 in Missouri and \$18.50 in Iowa.

IAMO Telephone Company must increase its local residential service rates from \$18.00 to \$20.00 in Missouri and \$18.50 to \$20.00 in Iowa in order to avoid loss of support.

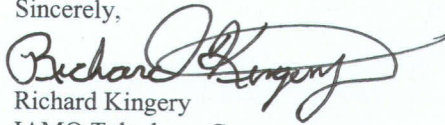

Although the effect of the rate increase on your bill may vary depending upon the type of extent of usage, the average monthly increase per customer for the primary customer classes of service is as follows:

LOCAL EXCHANGE ACCESS LINE CHARGES			
Customer Class of Service	Currently Monthly Rate	Increase	New Monthly Rate
Residential Iowa	\$18.50	\$1.50	\$20.00
Business Iowa	\$20.50	\$1.50	\$22.00
Residential Missouri	\$18.00	\$2.00	\$20.00
Business Missouri	\$20.00	\$2.00	\$22.00

This will also affect the bundle prices by an increase of \$2.00 Per month.

If you have any questions, please call me at 712-583-3232

Sincerely,

Richard Kingery
