Re: Notice of Adoption of the "TDS Telecom" Fictitious Name
Tariff Tracking Nos.
JI-2014-0091
JI-2014-0092
JI-2014-0093
JX-2014-0094

Dear Judge Woodruff:

Pursuant to 4 CSR 240-2.062 and 4 CSR 240-3.545(20), the following companies respectfully request that the Missouri Public Service Commission ("Commission") acknowledge the adoption of the "TDS Telecom" fictitious name by the following regulated entities:

New London Telephone Company (ILEC)
Orchard Farm Telephone Company (ILEC)
Stoutland Telephone Company (ILEC)
TDS Long Distance Corporation (IXC)

See 4 CSR 240-2.062(1)(A). These entities are in good standing with the Missouri Secretary of State, and they are also in compliance with the Commission's Annual Report requirements. The companies are current with their Missouri USF and Commission assessments.

As required by 4 CSR 240-2.062(1)(B), evidence of registration of the fictitious name, TDS Telecom, is included as Attachment A.

As you will see from the registrations in Attachment A, the "TDS Telecom" fictitious name has been registered and in use by the companies since 1996. Therefore, these registrations predate the original rule 4 CSR 240-2.062 which was filed March 2, 2011 and became effective October 30, 2011.

Recent discussions with Commission Staff revealed the need to amend the companies' tariffs and recognize the fictitious name in the Commission's Electronic Filing and Information System (EFIS). However, the TDS Telecom fictitious name has already become quite familiar to the companies' customers over the past sixteen years, appearing on customer billings and notices, company facilities and offices, company signage, and company trucks and vehicles. Therefore, the companies respectfully request that the Commission exempt, grandfather, and/or waive the requirements in 4 CSR 240-2.062(C), which require a copy of the notice sent or to be sent to customers to inform them of the name change. Because the TDS Telecom fictitious name has been in use for over sixteen years, customer notice would be more confusing than illuminating to customers at this point.

As required by 4 CSR 240-2.062(D), copies of the adoption notices and revised tariff title sheets that were filed concurrently with this notice (with ten-day effective dates) reflecting the new fictitious names are included as Attachment B.

Finally, as required by 4 CSR 240-2.062(E), the company hereby states that it has reviewed its contacts in the Commission's electronic filing and information system (EFIS) and determined they are current and do not need to be updated.

If you have any questions, please do not hesitate to contact me.

Sincerely,

/s/ Brian McCartney

Brian T. McCartney
