**ORDER GRANTING LEAVE TO SUBSTITUTE PREFILED TESTIMONY**

Issue Date: January 22, 2016

Effective Date: January 22, 2016

On January 22, 2016, the Staff of the Commission filed a Motion for Leave to Substitute Prefiled Testimony, explaining that the prefiled surrebuttal testimony of Lisa Kremer contained a passage that should have been treated as highly confidential, but that was not marked as such. That error was noted at the hearing, but the prefiled testimony with the incorrect designation remains in EFIS. To correct that error, Staff asks leave to substitute a version of the testimony that correctly designates the passage as highly confidential for the version that publicly discloses the confidential information. The Commission will grant that motion.

**THE COMMISSION ORDERS THAT:**

1. Staff's Motion for Leave to Substitute Prefiled Testimony is granted.
2. This order shall be effective when issued.
