

**STATE OF MISSOURI
PUBLIC SERVICE COMMISSION**

At a session of the Public Service Commission held at its office in Jefferson City on the 9th day of November, 2015.

In the Matter of)
Missouri Gas Energy's PGA Filing)

File No. GR-2016-0225
Tracking No. YG-2017-0063

ORDER APPROVING TARIFF

Issue Date: November 9, 2016

Effective Date: November 14, 2016

On October 28, 2015, Missouri Gas Energy ("MGE") filed a tariff sheet proposed to become effective November 14, 2016. The tariff sheet reflects changes in MGE's Purchased Gas Adjustment ("PGA") as a result of estimated changes in the cost of natural gas. Pursuant to the filing, the underlying charge for natural gas to firm sale customers will increase to \$0.49492 per hundred cubic feet ("Ccf") from the current rate of \$0.43219 per Ccf, or \$0.06273 per Ccf. This is an increase of \$2.24 per month for the typical residential customer. The filing also incorporates the \$0.86788 demand-related purchase gas costs per Ccf, which is a \$0.00005 increase only for certain non-residential, large customers.

The Commission's Staff filed its recommendation on November 7, 2016. Staff recommends the rates be approved on an interim basis, subject to refund, and pending final Commission decisions in the actions that address MGE's PGA factors in actual cost adjustment ("ACA") filings. The actions are as follows.

- File No. GR-2014-0324, which addresses MGE's PGA factors in the 2013-2014 ACA filings

- File No. GR-2015-0203, which addresses MGE's PGA factors in the 2014-2015 ACA filings;
- This File No. GR-2016-0225, which addresses MGE's PGA factors in the 2015-2016 ACA filings.

The filing also reflects adjustments to the Company's ACA factors that may require adjustments to the ACA account balance, so Staff asks to submit its results and recommendations on ACA filing to the Commission by December 18, 2017. Therefore, any rate change shall be on an interim basis, subject to refund, pending final decisions in File Nos. GR-2014-0324, GR-2015-0203 and GR-2016-0225.

The Commission has reviewed the proposed tariff sheet and Staff's recommendation. The Commission finds that the proposed tariff sheet conforms to MGE's Commission-approved PGA Clause. In addition, the interim and unopposed nature of the rate adjustments constitutes good cause pursuant to Section 393.140(11), RSMo 2000, to permit the tariff to become effective on less than 30 days' notice. The Commission concludes that the proposed tariff sheet should be approved to become effective on November 14, 2016, on an interim basis as described above.

THE COMMISSION ORDERS THAT:

1. The proposed tariff sheet assigned tracking no. YG-2017-0063 is approved on an interim basis, to become effective on November 14, 2016, as described in the body of this order. The tariff sheet approved is:

P.S.C. MO. No. 6

Sixth Revised Sheet No. 24.3, Cancelling Fifth Revised Sheet No. 24.3

2. Staff's Procurement Analysis Unit shall file the results of its Actual Cost Adjustment review no later than December 18, 2017.

3. This order shall become effective on November 14, 2016.

BY THE COMMISSION

Morris L. Woodruff
