**RE: New London Telephone Company,  
Safety Line & Security Line Bundle Rate Increase**

Dear Secretary:

Included in this submission are the following tariff pages for New London Telephone Company:

**Section 5 Second Revised Sheet 2**

The purpose of this filing is to revise the Safety Line bundle, which was inadvertently missed with the July 15, 2013 filing. The July filing should have increased the rates for both Security Line and Safety Line at the same time (not just Security Line). The rate is increasing for only the broadband portion of the bundle. There is no impact on the rate for the emergency basic access line portion of the bundles for any customers.

The proposed effective date for this filing is September 16, 2013.

If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kris A. Groth".
