# SECTION 2 - RULES AND REGULATIONS

### 2.1 <u>Undertaking of Inter-Tel NetSolutions, Inc.</u>

Inter-Tel NetSolutions, Inc. provides long distance telecommunications services originating and terminating throughout the State of Missouri in accordance with the terms of this Tariff.

Service is provided on a monthly basis and is available 24 hours per day, 7 days a week. Service will continue to be provided until terminated in accordance with the terms of this tariff.

The Company is authorized to serve as its customers' agent for purposes of ordering changes to and maintenance of the telecommunications services provided by any interexchange and/or local exchange carrier that may be necessary to implement and maintain the Company's services provided to a customer. The Company is authorized by its customers to deal directly with any such carriers and with any other vendor in all matters pertaining to its provision of service to a customer. A customer's appointment of the Company as its agent shall not apply to any software modifications that may be necessary with respect to traffic routing or least-cost routing features or functions, which modifications must be made by the customer through appropriate interaction with the responsible vendor of such features or functions. The Company's appointment as a customer's agent remains in effect unless modified or revoked in writing.

### 2.2 Limitations

- 2.2.1 Service is offered subject to the availability of facilities and the provisions of this Tariff.
- 2.2.2 Pursuant to Commission-approved procedures, the Company reserves the right to discontinue furnishing service, or limit the use of service necessitated by conditions beyond its control; or when the customer is using service in violation of the law or the provisions of this Tariff.

No agents or employees of other carriers shall be deemed to be agenus for employees of the Company.

- 2.3.6 The Company also is not liable for and the customer indemnifies and holds the Company harmless against:
  - (A) Claims for libel, slander, or infringement of copyright or unauthorized use of any trademark, trade name or service mark arising out of the material, data, information, or other content transmitted over the Company's network.
  - (B) Claims for patent infringement arising from combining or connecting the Company facilities with apparatus and systems of the customer.
  - (C) All other claims arising out of any act or omission of the customer in connection with any service provided by the Company.

### 2.4 Customer Application for Service

Businesses or residential customers wishing to obtain service from the Company execute a customer service agreement which includes the customer's authorization for the Company to instruct other carriers and vendors to provide certain services on the customer's behalf.

### 2.5 Establishment and Reestablishment of Credit

Applicants may be required at any time to make an advance payment or deposit up to an amount equaling one month's actual or estimated charges for the services to be provided. Such payment will be required only in circumstances and amounts allowed by Commission regulations.

The Company reserves the right to examine a credit record of all applicants and customers.

### 2.10 Discontinuance, Restoration and Transfer of Service

2.10.1 Cancellation by Customer

OCT 0 4 1995

Service will be provided for the term of service elected by the customer in the service agreement it enters into with the Company. Unless the Company receives in writing a notice of termination of services by the customer on or before thirty (30) days from the end of the agreed service period, the services provided hereunder shall continue on a monthly basis until either party shall give the other party at least thirty (30) days written notice. The customer is responsible for payment of all charges for service furnished customer prior to the actual termination of customer's service. In addition, in the event a customer terminates its service agreement with the Company prior to the end of the service period specified therein, the customer shall pay, in addition to all other charges due for service provided, a sum equal to the average of one month's service and long distance billing plus a sum equal to the value of any promotional credit awarded the customer during the term of the agreement.

### 2.10.2 Cancellation by the Company

The Company may discontinue service or cancel an application for service without incurring any liability under the following circumstances:

- (A) When there is an unpaid bill for any sum due to the carrier for service that is more than 60 days beyond the actual usage for such service;
- (B) The violation by the customer of any law, rule or regulation of any governmental authority having jurisdiction over the service;
- (C) The prohibition against the Company from furnishing services by order of a court or other governmental authority having jurisdiction; or
