**LOCAL EXCHANGE SERVICE TARIFF
WIRELESS TERMINATION SERVICE**

Certified U.S. Mail to the CMRS provider, refuse additional applications for service and/or refuse to complete any pending orders for service by the non-complying CMRS provider at any time thereafter, or may discontinue the provision of the services to the non-complying CMRS provider at any time thereafter. In the case of such discontinuance, all applicable charges, including termination charges, shall become due.

- 2. If the Telephone Company does not refuse additional applications for service or discontinue the provision of the services involved on the date specified in the thirty (30) day's notice, and the CMRS provider's noncompliance continues, nothing contained herein shall preclude the Telephone Company's right to refuse additional applications for service or to discontinue the provision of the services to the non-complying CMRS provider without further notice.
- 3. If the Telephone Company is unable to effectuate discontinuance of service at its own office it may request the assistance of other ILECs with whom the Telephone Company's network is connected. The Telephone Company may request such other ILEC(s) to take the necessary steps within its/their office(s) to disconnect service to the non-complying CMRS provider or to take such other actions as are necessary and appropriate to effectuate discontinuance of service as authorized by this tariff. This tariff specifically gives authority to such other ILEC's to respond to and honor a request to effect discontinuance of service from the CMRS provider to the Telephone Company without further regulatory authorization.

H. Rates and Charges

- 1. The rates and rate elements applicable to Inter-MTA Traffic are set forth in the Telephone Company's Switched Access Tariff. The rates for Termination of IntraMTA Traffic are shown in the Rates section below.

- 2. Rates for termination of IntraMTA Traffic:

\$ 0.0571 per minute of use (MOU)
