Dear Secretary:

Attached for electronic filing is a revision to the PSC MO NO 1 for Spectra Communications, Group, LLC d/b/a CenturyLink General and Local Exchange Tariff. This revision is filed in accordance with Missouri Public Service Commission Rules and Regulations and electronically submitted with a November 6, 2013 issue date and a proposed effective date of December 6, 2013. The following revisions are included in this filing:

Section 14 6th Revised Sheet 9
 2nd Revised Sheet 17

This filing proposes text changes for Simple Choice Unlimited and Business Unlimited, packaged service options available to customers at a lower rate than the ala carte services. Specifically, this filing removes from this tariff those charges applicable for the unlimited long distance provided by CenturyLink Long Distance, LLC.

This change is made for standardization to mirror the rate presentation used for similar packaged services provided by other CenturyLink affiliates, and for consistency with other packaged services in this tariff (e.g. Core Connect).

This filing also includes removal of language pertaining to an early termination fee for customers with 4-10 lines who cancel their service prior to twelve months after subscribing to the service. That condition was applicable when Business Unlimited was offered as a promotion, prior to its availability as a general offering. Deletion of this regulation does not impact current customers.

If you have questions or need additional information regarding this filing, you may call me at (913) 345-7535.

Sincerely,

Robyn Crichton
