**ORDER GRANTING EXPEDITED APPROVAL  
OF TARIFF IN COMPLIANCE WITH COMMISSION ORDER**

Issue Date: May 12, 2015

Effective Date: May 22, 2015

On April 25, 2015, the Commission issued its order approving Missouri-American Water Company’s application for a Certificate of Convenience and Necessity. On April 30, the company filed a proposed tariff with an effective date of May 30, 2015. Because the company plans to close on the purchase of the sewer system that is the subject of this case on May 22, it moves the Commission to expedite approval of the tariff on that same date.

On May 11, 2015, the Staff of the Commission filed its Memorandum informing the Commission that the tariff is in compliance with the terms of the Commission’s order. Staff recommends that the Commission approve the tariff to become effective on May 22, 2015.

Upon review of the company’s pleading and Staff’s Recommendation and verified Memorandum, the Commission finds that the tariff complies with the Commission’s order and, upon a finding of good cause, will approve the tariff to become effective on May 22, 2015.

**THE COMMISSION ORDERS THAT:**

1. Missouri American Water Company's request for expedited approval of its proposed tariff is granted.

3. This order shall become effective on May 22, 2015.
4. This file shall be closed on May 23, 2015.
