CUSTOMER OWNED PAY TELEPHONE SERVICE

MAY 10 2000

A. General

MISSOURI PUBLIC SERVICE COMMISSION

1. Customer Owned Pay Telephone Service (COPTS) will apply for use with customer provided instrument-implemented pay telephones at locations accessible to the public, e.g., stores, business places, including boarding or rooming houses, employee lounges and school or college buildings, where desired by the owner of the premises. Customer Owned Pay Telephone Service provides network access for coin, coinless, card reader or a combination of coin/card reader telephones.
2. Customer Owned Pay Telephones must be connected to a Customer Owned Pay Telephone access line. Only one Customer Owned Pay Telephone may be connected to a Customer Owned Pay Telephone access line. The access line must be equipped for Touch Calling.
3. Joint User Service may be furnished in connection with Customer Owned Pay Telephone Service. (1)
4. Directory listings may be provided under the regulations governing the furnishing of listings for business main line subscribers. However, listings (not indicating a business or profession) provided in connection with Customer Owned Pay Telephone Service furnished at boarding or rooming houses or at other locations where the party desiring the additional listings resides, are furnished under the regulations covering the furnishing of listings in connection with residence main line service.
5. For purposes of this Tariff, the term "customer" is defined as the party responsible for payment of the Customer Owned Pay Telephone Service access line.
6. Any surcharge established with a rate recovery mechanism to recover the costs of implementing and maintaining programs as provided for in R. S. MO 190-300 (8) and 209.255, e.g., surcharges for Emergency Telephone Number Service (9-1-1) or Dual Party Relay/Telecommunication Relay Service, shall not be imposed on access lines used to provide pay telephone service.

(1) Joint User Service is limited to existing customers at their existing locations.

B. Responsibility of the Customer

1. The customer shall be responsible for the installation, operation and maintenance of any customer-provided instrument-implemented pay telephones used in connection with this service.
2. The customer shall be responsible for payment of charges for all local and toll messages originating from or accepted at this type of service, including any applicable Directory Assistance Charges. Calls to 1411 or 1+555-1212 Directory Assistance will be charged to COPTS line customers as specified in Section 9 of this Tariff.
3. Customer-provided instrument-implemented pay telephones must be registered in compliance with Part 68 of the FCC's Registration Program or connected behind an FCC registered coupler.
4. Such customer-provided instrument-implemented pay telephones must have the following operational characteristics:
 - a. Must be able to access the Company operator at no charge and without using a coin.
 - b. Must be able to access 911 Emergency Service, where available, at no charge and without using a coin.
 - c. Must be able to access all interexchange carriers.
 - d. Must comply with all applicable federal, state and local laws and regulations concerning the use of these telephones by disabled persons and the hearing impaired.
 - e. Must allow the completion of both local and long distance calls.
 - f. Must be able to access Directory Assistance.

B. Responsibility of the Customer (Cont'd)

- 5. Each customer must provide, attached to the set, instructions for use of the telephone, in form and substance, that comply with the applicable Federal and State regulatory rules and regulations.
- 6. The customer shall not program or cause to be programmed any such telephone used in connection with this service to limit the duration of a local message.
- 7. The customer shall be responsible for obtaining a Certificate of Service Authority (CSA) to provide Customer Owned Pay Telephone Service and for providing proof of said authority prior to installation of service.

C. Violation of Regulations

- 1. Where any customer-provided instrument-implemented pay telephone is in violation of this Tariff, the Company will promptly notify the customer of the violation and will take immediate action, including the disconnection of service, as is necessary for the protection of the telecommunications network and Company employees.
- 2. The customer shall discontinue use of the customer-provided instrument-implemented pay telephone or correct the violation and notify the Company in writing within five days after receipt of such notice that the violation has been corrected.
- 3. Failure of the customer to discontinue such use or to correct the violation will result in the suspension of the customer's service until such time as the customer complies with the provisions of this tariff.

CUSTOMER OWNED PAY TELEPHONE SERVICE - COIN LINE SERVICE

MISSOURI PUBLIC SERVICE COMMISSION

A. General

1. Customer-Owned Pay Telephone (COPT) Coin Line Service is a coin voice grade exchange line that provides switch based dial tone first (DTF) coin line functionalities for non-local exchange company customer-owned pay telephones.
2. COPT Coin Line Service is provided at the request of a COPT provider that provides pay telephone service with switch based coin line functionalities to the public on a resale basis.
3. A COPT Coin Line subscriber must use a separate COPT Coin Line for each pay telephone instrument installed and will be billed the tariffed rate for each line. Off-premise extensions to a COPT Coin Line are not permitted.
4. Where COPT Coin Line Service is provided, any type or grade of residence or business service offered regularly at that location may also be furnished, provided such residence or business service is confined to locations solely for use by the particular establishment.
5. The Company shall not be liable for shortages of coins deposited and/or collected from the COPT Coin Line subscriber's equipment.
6. The Company shall not be liable for end-user fraud associated with failure of the subscriber's equipment to perform.
7. Suspension of service for nonpayment, as specified in Section 2 of this Tariff, is not applicable to COPT Coin Line Service unless the instrument is located within an establishment which is temporarily closed and, as such, will be totally inaccessible to the general public for the period of suspension. In all cases, the decision to permit suspension of service for a COPT Coin Line rests with the Company.
8. The carriage and completion of local and intraLATA toll messages are provided by the Company.
9. COPT Coin Line Service will be provided from central offices where facilities are available and where technically feasible.

B. Features

1. Service is provided in equal access Stored Program Control (SPC) central offices where coin line control equipment is available.
2. Service is provided on a one-way or a two-way basis at the customer's option.
3. Coin signaling, including coin collect and coin return, is provided by the network. Coin collect identifies when a call is completed. Coin return occurs when a no answer or busy signal is encountered.
4. Billed Number Screening (BNS) is provided for the automatic blocking via validation data bases of third number billing, collect billing, or both to the line.
5. Selective Class of Call Screening is provided to alert operator services systems (live and mechanical) that a call is originating from a COPT Coin Line which may require special handling and billing treatment.
6. Central office 900 and 976 blocking is provided.
7. Standard recorded announcements used for calls from the Company's Public Telephone Service pay telephones are used for calls that originate from a COPT Coin Line.
8. All 0-, 0+ and 1+ intraLATA toll calls and 0+ local calls are handled by the Company's operator service system.
9. All 0+ interLATA calls are routed to the presubscribed carrier.
10. Coin sent paid interLATA calls from COPT Coin Lines may be routed to any Interexchange Carrier selected by the customer who has the required coin signaling capabilities (i.e., coin recognition, coin control, etc.) which are required to complete the call.

NATIONAL DIRECTORY ASSISTANCE/CUSTOMER NAME AND ADDRESS SERVICE

Missouri Public Service Commission

A. General

1. National Directory Assistance (NDA) will provide the customer with directory listings from GTE's directory assistance database. This database will make all GTE listings available to any operator workstation along with national listings from other provider database(s). GTE will provide listings for residential, business, government, GTE 1-800, and GTE local emergency numbers. Customer Name and Address (CNA) Service is a reverse search feature which allows the caller to request a customer's name and/or address after giving the directory assistance operator a complete phone number.

B. Conditions

1. The customer will receive a maximum up to two listings per call, i.e., two NDA numbers, one NDA number and one CNA listing or two CNA listings.
2. Customers who make operator assisted calls to National Directory Assistance or to obtain Customer Name and Address Service will be charged the NDA/CNA rate plus the applicable operator surcharge as set forth in the Company's tariff.
3. The Company shall not be liable for any errors or omissions, whether arising through negligence or otherwise, in the information furnished; and the customer shall indemnify and save the Company harmless against all claims (including costs and attorney's fees) that may arise from the use of the service.
4. The customer will have access to any in-or-out-of-franchise, number/address listing within the continental United States, Alaska and Hawaii, with the exception of non-published listings. When a non-published number/address is requested, the message "Non-published number/address" or "NP" is displayed and no information will be available.

DIRECTORY LISTINGS

JULY 10 2000

A. General

- 1. One Directory listing is furnished without charge to each customer in conformity to the Company's practices with respect to its directories. Listings are intended primarily for the purpose of identification and are limited to information which is essential to such identification. Directories are furnished only as an aid to the use of the telephone service facilities and the Company reserves the right to refuse to insert any listing in its directories which does not facilitate telephone service.

B. Conditions

- 1. A Primary Listing is furnished as part of and in the rates for telephone service. The Primary Listing may include the name, address and telephone number of:
 - a. The individual, organization, firm or corporation contracting for the service.
 - b. A residential Primary listing may consist of a dual name listing whereby two individuals with the same surname who reside at the same address may both be listed with no more than two given names. Each given name for the purposes of this Tariff is defined as any combination, not to exceed two, of the following:
 - 1) First name
 - 2) Middle name
 - 3) Initial
 - 4) Nickname
 - 5) Maiden name
 - c. A Duplicate Listing reversing the order of the individuals' given names above may be provided at the rates for Additional Listings.
 - d. When two or more lines serve a customer in a group arranged for a "hunting" operator, each group of lines is considered one telephone number and is entitled to only one Primary Listing.

B. Conditions (Cont'd)

- 2. An Additional Listing may also include the same address and telephone number as the Primary Listing, except that a different address may be shown for off-premises stations located on other premises occupied solely by the customer.
 - a. Additional Listings may be furnished with business or residence service for persons who occupy the same premises.
- 3. An Alternate Listing (charged as an Additional Listing) refers a calling party to certain other telephone numbers after business hours or on Sundays or holidays, or if there is no answer on the first listed number.
 - a. Where the alternate call number is to be that of another customer, the listing will be furnished only with written approval of the other customer.
- 4. Cross-Reference Listings (charged as an Additional Listing) enable a customer to use a former listing to refer customers to his new listing appearing elsewhere in the directory. Cross-Reference Listings do not include an address or telephone number and are permitted when, in the opinion of the Company, they are necessary for the proper identification of the customer, and are not desired to secure a preferential position in the directory or for advertising purposes.
 - a. As an aid to the service, Cross-Reference Listings may be provided without charge in connection with the service of federal, state or municipal governmental agencies.
- 5. A Foreign Listing is a listing in any GTE directory for which the customer does not have local service. The rate for a Foreign Listing will be the rate listed in the Tariff.
- 6. Line of Information (charged as an Additional Listing) is listed information in addition to a primary or extra listing that is intended to supply additional or special instructions to the calling parties, e.g., office hours.

7. Nonpublished Service is the omission of a customer's listing from both the telephone directory and Directory Assistance records.
- When Nonpublished Service is to be furnished, the customer will hold the Company harmless from any damages which might arise, and will absolve the Company from any responsibility for the failure of the customer to receive calls because of the nonpublished listing.
 - The rate for a Nonpublished Service is specified in this Tariff.
 - The charge will not apply to nonpublished number for customers having other listed services.
8. Nonlisted Service is the omission of a customer's listing from the telephone directory only. It may be obtained from the Directory Assistance Operator.
9. Service Charges apply to change listed directory service to Nonpublished Service or Nonlisted Service. Service Charges DO NOT apply to change from Nonpublished Service or Nonlisted Service to listed Primary Listing service.
10. The charge for Directory listings begins on the day the Directory Assistance records are posted.
11. The length of contract period is from the day on which the directory is published to the day the succeeding directory is published. Unless the listing no longer serves the customer because of disconnection, removal, etc., of the service, the minimum contract period will be at least 30 days.
12. Listings will be limited to such information as is necessary for proper identification.
13. The length of a listing may be limited by the use of abbreviations where the clarity of the listing and the identification of the customer will not be impaired.

Basic Intercept Service

A. General

1. Basic Intercept Service provides a service to local exchange business and residence customers who have requested their service be discontinued because they have moved to a new location or requested a change in their telephone number. Dialing the customer's former number results in a prerecorded message which announces the new number.

B. Conditions

1. Basic Intercept Service is offered to residence and business customers subject to the availability of suitable facilities.
2. Basic Intercept Service will not be provided to customers disconnected for nonpayment.
3. On Company initiated telephone number changes, the charge will not apply, and the telephone number will be intercepted for the life of the directory.
4. At the time the customer places the request for a change in their telephone number, the customer must notify the Company of the number of days, up to the life of the directory, for calls to be intercepted and referred.

MISSOURI PUBLIC SERVICE COMMISSION

A. General

1. Local Operator Service is furnished to customers upon their request in order to complete local calls. Please refer to SPECTRA COMMUNICATIONS GROUP, LLC -- Long Distance Message Telecommunication Service PSC MO. NO. 3 for a more detailed description of the following services.
2. There are five classes of local service offered: Busy Line Interrupt, Busy Line Verify, Calling Card, Operator Station Calls and Person-to-Person Calls. When operator assistance is required to complete a local call, the rates appearing in this Tariff will apply.
 - a. Busy Line Interrupt - The operator, at the request of the customer, will interrupt conversation on the line and inform the called party that an attempt to place a call to that line is being made.
 - b. Busy Line Verify - The operator, at the request of the customer, will determine the status of an exchange service line (e.g., conversation in progress) and report the status to the customer.
 - c. Calling Card - Customer dialed "0+" calls which are completed by the caller or completed by the operator that will be billed to the calling card instead of the telephone originating the call.
 - d. Operator Station Calls - Customer dialed "0-" calls where the operator completes the call and arranges billing. Can be billed to the originating telephone number, calling card, collect or to a third number. Includes operator placed calls to Directory Assistance.
 - e. Person-to-Person Calls - Customer dialed "0-" calls where the operator completes the call and arranges billing. Can be billed to the originating telephone number, calling card, collect or a third number.

B. Selective Class of Call Screening Service

PUBLIC SERVICE

1. Selective Class of Call Screening is an optional service available to the Company's local exchange service customers and is offered on a per line basis. The service is offered to provide customers with a choice of originating screening options. The screening provides information that will allow the restriction of originating operator-handled toll calls to be billed outgoing to a credit card, a third number or to the called party.
 - a. The customer will specify, at the time of the order, the restriction or restrictions desired. The customer may specify any combination of the following to restrict the billing of outgoing toll calls to:
 - A Credit Card
 - A Third Number
 - Collect to the Called Number
 - b. This service provides for information designating the customer's line as having a requirement for special billing and defines these requirements for the SPECTRA operator.
 - c. The Company makes no guarantee and assumes no liability for the accuracy of Selective Class of Call Screening Service for calls outside the SPECTRA calling area. The customer agrees fully and completely to indemnify and save harmless the Company, its successors and assigns, from and against any and every claim, loss, damage, suit or liability arising out of the furnishing or failure to furnish Selective Class of Call Screening Service.
 - d. The minimum period for Selective Class of Call Screening Service is one month.
 - e. All local calls and calls to Company numbers, such as repair, Directory Assistance, and public emergency service numbers such as 9-1-1 will be permitted.
 - f. Selective Class of Call Screening Service is offered subject to the availability of suitable facilities.

C. Toll Blocking Service

Service Commission

1. Toll Blocking Service is a central office service that restricts one plus (1+), International (011+), zero plus (0+) and/or zero minus (0-) calling. Restricted calls are directed to a central office announcement. (C)
2. Four Toll Blocking Service options are available: (C)
 - a. Option 1 - Restricts any direct dialed one plus (1+) or direct dialed International (011+) call. This includes directory assistance (1+411, 1+555-1212, 1+NPA+555-1212). Option 1 also includes Originating Line Screening, which allows outgoing intraLATA toll calls to be charged to the called telephone, a third number, or a credit card account. Toll free 1+8XX calling will not be restricted. (T)
 - b. Option 2 - Restricts any direct dialed one plus (1+) or direct dialed International (011+) calls. This includes directory assistance (1+411, 1+555-1212, 1+NPA+555-1212). Option 2 also restricts any local or long distance zero plus (0+) or zero minus (0-) call. If 9-1-1 service is not available in an exchange, zero minus (0-) calls will be restricted to local operator assisted emergency calls. Toll Free 1+8XX calling will not be restricted. (T)
 - c. Option 3 - Restricts any direct dialed one plus (1+) or direct dialed International (011+) calls. This includes directory assistance (1+411, 1+555-1212, 1+NPA+555-1212). Option 3 also restricts any local or long distance zero plus (0+) or zero minus (0-) call. If 9-1-1 service is not available in an exchange, zero minus (0-) calls will be restricted to local operator assisted emergency calls. Toll free 1+8XX calling will also be restricted with this option. (N)
 - d. Option 4 - Designed specifically for Customer Owned Pay Telephone Service (COPTS) and Coin Line Service subscribers, this option restricts direct dialed International (011+) calls only. (T)
3. Toll Blocking Service will be provided to residence and business COPTS/Coin Line individual line customers. This service will not be provided on party lines, trunks or Centrex lines.
4. Toll Blocking Service is offered subject to the availability of suitable facilities and is limited to central offices specifically equipped to provide this service.

CUSTOMIZED NUMBER SERVICE

PUBLIC SERVICE COM.

A. General

1. Customers of the Company may request assignment of specific telephone numbers. If the telephone number or numbers requested by the customer are available, the Company may assign the number to the customer.
2. The Company will do its utmost to protect specific number assignments requested by the customer from changing. However, unavoidable circumstances may arise where the number assignment may need to be altered. In these instances, the Company reserves and retains the right:
 - a. To discontinue, change or reassign telephone numbers in any exchange area whenever it deems it necessary or appropriate in the conduct of its business, or in accordance with the rules and procedures of the Company. If this should occur, the Customized Number Service Charge will not be refunded to the customer.
 - b. To reject any request for specific telephone numbers for any reason, including but not limited to: relocation of a central office, limited central office capacity, or numbers that may, in the Company's sole opinion, be offensive to the public.
 - c. Of ownership of all telephone numbers and prohibits the assignment of a telephone number by or from any customer to another, except as otherwise provided in this Tariff.

B. Conditions

1. The Customized Number Service charge applies whenever a customer:
 - a. Requests a telephone number other than the next available number from the allocation list, and such requested number is placed into service within six months of the date of the request.
 - b. Requests a number change from their present number to a customized telephone number.

DIRECT INWARD DIALING SERVICE (DID)

PUBLIC SERVICE COMMISSION

A. General

1. Direct Inward Dialing Service to customer premises located switching systems is furnished subject to the availability of facilities and the availability of telephone numbers.
2. The service includes the central office switching equipment necessary for direct inward dialing from the exchange and long distance message telecommunications network directly to terminal equipment associated with customer premises located switching systems.
3. The service must be provided on all lines in a trunk or network access line group arranged for inward service. Routing of calls to selected numbers within the direct inward dialing number group over a separate trunk or network access line group is not contemplated.
4. The charges for the service, as provided in B. Rates following, are in addition to all applicable charges for PBX/PABX service with which this service is associated and the applicable network access line and service charges.
5. Operational characteristics of interface signal between the Company-provided connecting arrangements and the customer-provided switching equipment must conform to the rules and regulations the Company considers necessary to maintain proper standards of service.
6. The Company shall not be responsible to the customer or authorized user or joint user if changes in protection criteria or in any of the facilities, operations or procedures of the Company render any facilities provided by a customer, authorized user or joint user obsolete or require modification or alteration of such equipment or system or otherwise affect its use or performance.
7. Direct-in-dial Trunks may be provided in the quantity determined by the Company to be sufficient for adequate service, only in exchanges where the Central Office is equipped for such service. When otherwise provided, Direct-in-dial Trunks will be furnished at rates based on cost.

DIRECT INWARD-OUTWARD DIALING (DIOD) SERVICE

TO SERVICE COMPANY

A. General

Direct Inward-Outward Dialing (DIOD) Service is a Central Office based service that permits incoming calls to reach customer provided equipment, without the assistance of an attendant, and allows the trunk to be used to place outgoing calls. This service is provisioned with E&M signaling and a 4-wire connection at the customer's premises.

B. Conditions

- 1) DIOD Service is provided from Central Offices equipped to provide this service and subject to the availability of facilities and the availability of telephone numbers.
- 2) The assignment of telephone numbers and the sequence of numbers assigned to a customer are made at the discretion of the Company. Telephone number rules, regulations and charges found in Section 2 and the Direct Inward Dialing (DID) service section of this Tariff, apply to DIOD service.
- 3) Rotary hunt service does not apply.
- 4) The customer is responsible for premises located switching equipment and the equipment must be arranged to provide intercept on unused telephone numbers associated with DIOD service.
- 5) Trunks arranged for DIOD service may not be combined with trunk groups arranged to provide Direct Inward Dialing (DID) service. Overflow of calls between the two arrangements is not permitted.

GENERAL SERVICESEMERGENCY CONFERENCE SERVICE

MAY 10 2000

A. General

SERVICE COMMISSION

1. Emergency Conference Service is furnished in the interest of the public safety by means of equipment located in a central office of the Company. These Conference/Alerting Systems are multistation ringdown telephone conference circuits designed primarily for use in local emergency reporting and alerting applications. These systems provide simultaneous access to up to 60 local stations either from a dedicated telephone (i.e., a "master" station) or from any local telephone via a listed directory number.
2. The systems, in their reporting and alerting capacities, provide volunteer firemen and other emergency teams with emergency conferencing capabilities.

B. Conditions

1. This service will normally be furnished in connection with individual line service. At the option of the Company when equipment and facilities permit, service may be furnished to party-line customers.
2. Emergency Conference Service will be contracted for a minimum service period of five years.
3. Such Emergency Conference equipment is not to be used for performing any function other than the reporting or dissemination of information of an emergency nature.
4. Service Charges apply in addition to the nonrecurring charges.
5. To expand from one system to the next system, i.e. Type 10 to Type 20, the customer will be charged the difference between their previously paid nonrecurring charge and the new nonrecurring charge.

FOREIGN EXCHANGE SERVICE

A. General

1. Foreign Exchange Service is exchange service furnished to a customer from an exchange other than the one in which he is located.
2. Foreign Exchange Service does not come within the Company's general undertaking, nor does the Company obligate itself to furnish such service generally, but will do so where facilities of such a character are available as will permit satisfactory telephone transmission. It will not be provided when there may be a resulting impairment of service or when undue expense is involved.

B. Conditions

1. Foreign Exchange Service is offered between all exchanges of this Company and other companies located within the same LATA. It will be furnished jointly with other companies only when those companies agree to furnish service in accordance with the provisions contained in this tariff.
2. Only individual central office access line, PBX or Key trunk foreign exchange service is furnished.
3. Off-premises services will be furnished in accordance with the tariff provisions of the local exchange, providing facilities and operating conditions permit. Off-premises service will be furnished only for the use of the foreign exchange customer.
4. If the customer is located outside of the Base Rate Area zone or mileage rates are applicable.
5. Calls beyond the local calling area of the service exchange will not be permitted. Local calling area is considered to be the line terminations served by the serving exchange, plus any extended area service which may be provided from the serving exchange.
6. Customers to Foreign Exchange service are required to take access service from the local exchange of which service would normally be rendered.

MISSOURI PUBLIC SERVICE COMMISSION

A. General

- 1. Shared Tenant Service (STS) is the provision of local exchange access services by the Company, to the STS customer at an STS building for the purpose of the STS customer reselling or sharing the service with the STS subscribers.
- 2. Shared Tenant Service equipment must meet state and federal codes with respect to telecommunications equipment. The STS customer must provide access to police, fire, 911 and other emergency services, where available; and must permit access to all Interexchange Carriers.

B. Definitions

- 1. The following definitions apply to Shared Tenant Service.

Shared Tenant Service Customer - Any person, corporation or other entity that provides STS within a user group and that is certificated to do so by the Missouri Public Service Commission (MPSC).

Shared Tenant Service Subscriber - Any person, corporation or other entity occupying an STS building and furnished telephone service by the STS customer.

Shared Tenant Service Building - A structure under one roof on one premise, which is wholly located in a single Company exchange and/or wire center and in which telephone service to STS subscribers is provided by an STS customer. Two or more structures on one premise which are connected by an enclosed or covered passageway are not considered a single STS building. STS may be provided in less than a building but it must be confined to a contiguous premise. Exceptions to this provision must be approved by the Missouri Public Service Commission.

New Shared Tenant Service Building - For the purpose of this tariff, a newly constructed building is defined as one in which the Company has not previously provided permanent distribution facilities adequate to serve the occupants of the building. The provision of service to contractors during the building's construction is not considered permanent distribution facilities.

C. Conditions

1. Shared Tenant Service is provided for the exclusive use of the STS customer, his employees and his STS subscribers.
2. The STS customer may only offer Shared Tenant Service to the occupants of a single STS building and not to members of the general public.
3. Application for Shared Tenant Service, and application for changes in the service, must be made by the STS customer. The STS customer is responsible for payment of all charges incurred, whether such charges are associated with services provided for the use of the STS customer or services provided for the use of STS subscribers that are served by the STS arrangement. The STS customer has total responsibility for the administration, control and utilization of the resale and sharing of the service.
4. If the Shared Tenant Service customer files an application for certification and/or a waiver of the single building limitations with the Missouri Public Service Commission, a copy of the application and/or waiver request(s) must be sent concurrently to the Legal Department of SPECTRA COMMUNICATIONS GROUP, LLC by the STS customer.
5. Where a resale or sharing arrangement is suspected at a location that is not authorized to be Shared Tenant Service, the Company will notify the Missouri Public Service Commission. If the customer fails to seek certification from the Commission to provide Shared Tenant Service, the Company shall have the right to terminate such service.
6. The service furnished to the STS customer shall always be classified as a business service for the purpose of the application of tariff rates.
7. A Shared Tenant Service customer is entitled to one business listing in the alphabetical and classified sections of the directory. When requested by the STS customer, additional listings, as specified in this Tariff, may be provided for the STS subscribers. Additional listings will be charged at business rates.

10. The Shared Tenant Service Customer may furnish his services through one or more PBXs but is restricted to the authorized limitations of the STS building as defined by this Tariff or under a Commission approved waiver. If there is more than one PBX, the Company is required to provide only one point of termination.
11. The Company will terminate its facilities and locate the network interface at an STS building in accordance with existing tariffs and FCC rules and regulations, and will not be responsible for service quality beyond the interconnection (network interface) with the STS customer's equipment.
12. The provision of service to an STS customer for the purpose of resale or sharing shall in no way reduce the rights of the Company nor impose additional responsibility or liability upon the Company with respect to suspension or discontinuance of service for reasons of, but not limited to, impairment of service, abandonment, abuse or nonpayment of charges.
13. In order to provide service to any customer wanting service directly from the Company at any STS building, the STS customer or building owner will:
 - a. Provide the Company without charge immediate and continuing right-to-use of the riser cable and other facilities within the STS building, not owned by the Company, necessary to serve its customers.

18. When a Shared Tenant Service customer is in violation of any of the provisions in this section, the Company will promptly notify the STS customer of the violation. The STS customer shall correct the violation and shall confirm in writing to the Company within ten (10) days, following the receipt of written notice, that the violation has been corrected. Failure of the STS customer to correct the violation and to give the required written confirmation to the Company within the time stated above shall result in suspension of the STS customer's service until such time as the STS customer complies with the provisions of this Tariff.

D. Provisioning of Service

1. Provisioning of Shared Tenant Service consists of the serving central office line equipment, all outside plant facilities needed to connect the Company's serving central office with the STS building and the network interface. E. Obligations of the Shared Tenant Service Customer

1. In addition to the obligations set forth in this Tariff, Shared Tenant Service customers shall have the following obligations:
 - a. The Shared Tenant Service customer must comply with all applicable federal, state and local laws and regulations concerning the use of telephone service to disabled and/or hearing impaired persons.
 - b. The Shared Tenant Service customer shall provide to the Company the number of access lines and types of service provided, and the location of the STS subscribers he serves.
 - c. The Shared Tenant Service customer shall notify its STS subscribers in writing, that they have no right to retain any telephone number associated with the service, and that if any STS subscriber ceases utilization of the STS customer's service, that subscriber will not be permitted to retain the same telephone number.
 - d. The Shared Tenant Service customer will indemnify and hold the Company harmless for any damage to STS subscribers, the building owner, subsequent tenants and subsequent purchasers of the building resulting from compliance with the STS customer's requests or the terms of this Tariff.
 - e. Whenever "notice" is required, the Company will be responsible to give notice only to the STS customer or its authorized agent. The STS customer will notify its subscribers as necessary.
 - f. The Shared Tenant Service customer will be solely responsible for referral of calls for a reasonable period of time in the event an STS subscriber relocates outside the STS building or obtains telephone service from the Company or others.
 - g. The Shared Tenant Service customer must use only riser cable that meets the Company's technical standards for riser cable or transmission facilities. The Company has the right to inspect the riser cable before the connection of service to the STS customer, to verify that the Company's technical standards have been met. The Missouri Public Service Commission shall have the power to require the STS customer to comply with these standards.

VACATION NUMBER RESERVATION

(N)

A. GENERAL

Vacation Number Reservation provides for temporary suspension of service at customer request for a period of not less than one (1) month and not to exceed nine (9) months in a twelve (12) month period. Vacation Number Reservation applies only to residential and business access line rates. It does not apply to Key, PBX, Centrex lines, or Trunks, calling features or bundled services. The customer's account must be current to be placed on Vacation Number Reservation. After service has been restored, there will be a minimum of one (1) month's charge for full service before the service can again be put on Vacation Number Reservation.

B. RATES

The charge for Vacation Number Reservation is Fifty (50) percent of the regular flat rated monthly access line rate.

C. CONDITIONS

1. Telephone service will be completely disconnected during the period of Vacation Number Reservation; there will be no dial tone.
2. If the customer has not requested that the service be restored after nine (9) months of Vacation Number Reservation, the service will revert back to the standard rate; however, full service (dial tone) will not be restored until the customer requests such by contacting the Telephone Company. The customer will be notified of the date of the discount expiration in advance.
3. There will be no charge to activate Vacation Number Reservation. Applicable nonrecurring charges will apply each time Vacation Number Reservation is restored to full service.
